"UNBEATABLE (EP.3): NEW FRIENDS, BIG ENEMIES (A TV SCRIPT)"

FADE IN:

INT. ZEUS'S DOJO - NIGHT

[A girl with green dyed hair walks in front of Damien wearing pink female ninja clothes. She looks like she's around 17 years old age and about 5'2 in height.]

ZEUS

(Looks at the girl)

Good day Jasmine. I take it you are the  
"Great Divas".

JASMINE

(Smiling)

Yes we are, and just for knowing that we  
have to take you over like we did these  
two.

[Two men run towards Zeus and hits him with a shoulder tackle. Zeus backs away from the two looking at them. They look as if on steroids and their eyes look like they're missing.]

DAMIAN

You see Zeus; we were taught a special  
ability. The ability to possess others and  
use them as we see fit.

JASMINE

Now we.... may spare you IF you tell us  
where the Guardian Forces are.

ZEUS

No, you'll kill them.

JASMINE

Well no duh.

[Looks at the possessed guys.]

Kill him and kill him now. Now please.

[Zeus throws up his hand and electricity flows out of him.]

DAMIAN

WOAH! Zeus these are Earth's people.  
Wouldn't it be wrong to kill your own men?

JASMINE

Yes BUT what if killing them is actually  
the cure. Even though I MAY be wrong,  
you'll never know.

[The guys start punching at a confused Zeus. Zeus tries to  
keep up a good defense without hurting them.]

ZEUS

Damien you stop all this at once!

DAMIAN

I could, or I can get more people to  
possess so they can kill you quicker.

JASMINE

(Watches Zeus get hit a few times)

Yeah and don't pull that stupid "I'm a god  
stuff". Gods are immortal but they can  
still die.

[Zeus grabs one and throws him against the wall. He's out

cold as he falls to the floor.]

DAMIAN

Damn this sucks, oh well guess we need more. Take care of this Jas.

JASMINE

You got it.

[Watches Damien leave]

Hey baby can you please speed it up?

[The guy starts sending a barrage of punches and kicks to Zeus's ribs.]

BRAVO!

[A cop sneaks up onto Jasmine and points a gun at the back of her head]

COP

FREEZE! You have the right to remain silent!

JASMINE

No thanks.

[Jasmine whips out a Bo and hits the cop in the stomach with it. The cop goes for his club and swings but Jasmine jams him by grabbing the inside of his arm using her whole arm.]

JASMINE

(Pulls the cop's hair back)

Sorry I don't kiss a guy when I first meet him but I'll give you something special.

[Jasmine opens her mouth and a ghost-like thing comes out. The cop screams in fear as the ghost enters his mouth. The cop passes out soon after. Zeus tosses the second guy; head first, into a window.]

JASMINE

I'm a sucker for a guy in uniform.

[Jasmine turns around and Zeus grabs her by the throat and presses her against the wall.]

ZEUS

Try to kill me huh? Did you honestly think  
you could manage?

JASMINE

I...

ZEUS

You betrayed those of Mount Olympus for  
Bain 400 years ago. Just for eternal life.

JASMINE

Immortality isn't a crime.

ZEUS

You're the reason we're on Earth now  
instead of Mount Olympus.

[The cop gets up behind Zeus and looks like the two guys  
from earlier. The cop shoots Zeus twice in the leg. Zeus  
falls onto one knee and the cop hits him in the head with  
the gun's handle. Zeus lies unconscious.]

JASMINE

(Rubs her throat)

Lets go. We sent him a fair warning.  
Besides, we may need him.

[The cop passes out as Jasmine looks down at Zeus.]

JASMINE (SMILES)

Do you know the worst type of assassin  
Zeus? An assassin who doesn't even know  
he's an assassin. I know you can hear me  
so I'll make this clear, the more we  
possess the easier it will be to kill your  
girls. I'll spare your life for now so  
you'll think about that.

[Jasmine walks away smiling. About an hour later, Zeus  
wakes up.]

ZEUS

(Struggles to the wall and leans against  
it)

They're playing "the numbers game". This  
may be trouble.

COP

(Gets up looking around)

Hey what happened here?

ZEUS

(Looking at the two guys noticing everyone  
looks normal)

There was a break in. They got away.

[Screen fades as the three helps Zeus up.]

INT. ALEX'S REBIRTH - NIGHT

[Alex is reading David's books as David is arranging things  
in the same room.]

ALEX

Hey gramps how is it we can shoot  
these...ball things?

DAVID

The energy balls?

ALEX

Yeah, I just don't get it.

DAVID

Our powers are due to a chemical reaction after our bodies being introduced with an enzyme from a rare plant that we grow here. The enzyme that caused the reaction enhances the cells' nucleus generating energy in every cell. This energy has no name because we found it so natural to us. We eventually learned to use that energy through acts of concentration. That is why you can fire energy. But if your not properly trained it can truly take a piece of your momentum, and tire you right out. We've perfected this for sometime now.

ALEX

So how come I haven't seen you do any of this stuff?

DAVID

I don't need to start a panic. Energy balls are for emergencies only. That's why you were taught the martial arts as well.

ALEX

Yeah, hey what about the gliding?

[David looks as if he tripped and instead flies backward into an inverted back flip.]

DAVID

That also takes practice to get perfected. The enzyme causes the ability after it affects the skin cells, creating a "shell" which makes the body more aerodynamic. It can't be seen, however if you touch a normal person's hand and then your own you'll realize yours feels somewhat different.

ALEX

Doesn't feel different and I've felt plenty other people.

DAVID

(Thinks about it and looks at Alex)

...Alex do you still have that scar you  
received when you were eight?

[Alex puts down the book and takes off his shirt. There is  
a small scar on the mid-back area.]

ALEX

I think so.

DAVID

Alex...we lied, that isn't a scar.

ALEX

What? Then what is it then?

DAVID

For the chemical to take effect, there  
needs to be a thorn from the plant I  
mentioned inside the human body for at  
least five years. When I remove it you  
will feel the energy mentioned earlier  
flow through your whole body.

ALEX

(Thinks for a little while)

Do it then.

DAVID

All right then.

[David removes the thorn like a splinter is removed.  
Afterwards, there is a huge light gradually getting  
brighter and brighter coming from Alex's body. Soon the  
entire temple is filled with light.]

ALEX

(Light slowly dies down)

Whoa...that was weird.

DAVID

Glad to be here for the rebirth.

ALEX

Yeah it does feel like one doesn't it?

DAVID

Yes...want to do some training now?

ALEX

Yeah...hell yeah.

DAVID

(Smiles)

Good

INT. AT SCHOOL - DAY

[Rita, Javel, Mina, Sara, and Mary are in Chemistry class doing the lab from last episode. Rita and Mina is just watching Javel do the work, Mary is doing the same with Sara.]

JAVEL

Hey Sara looks like I'm doing better than you are.

SARA

Please tell me your not rushing trough this.

JAVEL

Why?

[Javel's experiment blows up and everyone at the table backs away. An acidic chemical covers the entire table burning everything. All the students laugh at Javel. Sara picks up her books before they burn.]

TEACHER  
(Angrily)  
JAVELYN PROTO!!!

SARA  
Just great.

JAVEL  
Sir, I am so sorry I put the wrong stuff  
in. Good thing I wore the goggles and  
gloves huh?

TEACHER  
YOU THINK NEXT TIME!! NOW GO TO THE  
PRINCIPAL AS I GET SOMEONE TO CLEAN THIS  
UP!!

[Javel nods and leaves the classroom after taking off the  
safety equipment.]

SARA  
Excuse me sir. Where do we finish our lab?  
[The teacher points Sara and the other to another table.  
Sara starts all over again. Mina and Rita open their books  
trying to figure this stuff out.]

SARA  
Hey girls...this may sound kind of funny  
but did you have any weird dreams?

MINA  
Sara, Freddy Krueger isn't real okay?  
[Rita and Mary laugh as Sara looks at Mina seriously.]

SARA  
Seriously, I had this really weird one  
last night.

MARY  
Was I in it?

SARA

All of you, and some girl we don't know.

RITA

Okay Sara? If you're coming out of the closet I don't need to know this. Especially if it involves a female stranger and four girls.

MARY

EWV!

MINA

OH JESUS!

SARA

Rita I don't know you well but I'm not like that and also realize I have a chemical here that will turn you into the Elephant Man's daughter.

RITA

Actually at the temperature your using on that bun sin burner you won't have anything relatively close to that potency.

MARY

(Smiling)

NERD FIGHT!

[Sara and Rita look at Mary who just backs away. Mina is silent.]

MARY

So what were you saying?

SARA

What I was saying is...I had a weird dream  
that we were in this big white cube shaped  
room.

RITA

Was a guy there? Tan skin, answers to  
Zeus?

SARA

Yeah there was.

RITA

I had the same dream I think. Did he talk  
for a while?

SARA

Yeah some stuff about Mount Olympus.

MARY

Oh wow me too.

MINA

Same here, maybe we should see this Zeus  
guy.

RITA

Where do we find him?

MARY

He's the couch of the fencing team here.  
Practice is tomorrow.

MINA

Mary? I'm not going to wait a whole day  
just to meet some old man named Zeus.

[Lita, who is behind her at another table, turns around and looks at Mina.]

LITA

Excuse me? Are you talking about the same Zeus who taught me how to kill people with very little time? The man who does the self-defense classes.

MINA

Oh...yeah...forgot about that.

LITA

Name's Lita. I overheard you all talking and I had that same dream, Zeus is my instructor as well as your boyfriend's Mary. He talks about you so much it makes me sick. Honestly, I'm shocked you didn't think of those classes as a way to see him. But hey you ARE blonde.

[Bell rings]

Oh look the bell. Bye.

[Lita leaves the classroom as the other girls pick up their stuff.]

INT. THE SCHOOL PARKING LOT - DAY

[Mary, Rita, Sara, and Mina walk to Mary and Sara's car.]

MARY

What a bitch.

MINA

Nothing pisses me off more than a blonde joke.

SARA

And did you see how stuck up she was to us? That was too mean and she doesn't even know us.

[Sara and Mary get their bags in the back seat.]

MARY

Need a ride Rita?

RITA

No I have my own car.

[Rita points to a red convertible in the distance.]

MINA

Whoa! That such a nice car!

RITA

I know my dad gave it to me as a birthday present. Talk about sweet sixteen huh?

SARA

(Smiles as she gets in her car)

Now you sound like Javel.

RITA

What's up with him anyway?

SARA

He's always been like that, ever since I've known him.

MINA

Same here, but he seems to always be on Sara's nerves.

MARY

(Gets in the car)

That's 'cause Sara gets the As and nobody else can compete but him.

MINA

Yeah but he just loves to compete...plus  
he's always out casting himself from other  
guys.

[Javel parks his car next to Mary's. It's the same as her's  
but dark green and a different year.]

JAVEL

Hey girl's sorry to inform you but I'm  
suspended for a week.

RITA

For a mistake?

JAVEL

Yes.....and the smoke bombs in my  
bag. Miss you.

[Javel drives away with Rita looking at him strange.]

MINA

See what we mean?

RITA

Sadly. Well hey I'll give you my number in  
case you want to talk.

MARY

Cool. Sure.

[Rita writes her number for each of the girls.]

MARY

I'll call all of you so we can meet this  
guy.

[They all agree and they leave in their cars.]

INT. JAVEL AND ALEX MEET - DAY

[Javel is driving down the street looking somewhat unhappy.]

JAVEL (IN MISERY)

(Pounds on the steering wheel)

I can't believe him...I can't believe  
THEM. I think I'm worthless. That I'm a  
loser. That I'm....

[Javel sees he's about to hit someone]

AH!!!!!!

[Javel turns the wheel and just misses the guy. The guy was  
Alex, testing out his newfound powers. Javel goes off road  
down a hill that leads to the cliff.]

ALEX

Crap!

JAVEL

OH CRAP!! I'M GOING TO DIE!!!

[Alex teleports in front of the car and launches the car  
back onto the road using an energy ball. the car is in mid  
air.]

ALEX

Damn it!

JAVEL (CRYING)

I'M GOING TO DIE A VIRGIN!

[The car lands on it's top. Javel is unconscious but alive.  
Cars start to pull over and the people inside run to check  
on him. So does Alex.]

DRIVERS

(Over and over)

What happened? Hey you! Did you see  
anything?

ALEX

(Runs to the drivers)

Oh man yeah he was about to hit a deer or  
something and drove off the road but  
instead he hit a tree and just...that  
happened there. Can't explain it any  
clearer.

[A cop who is the same cop from before walks to Alex.]

COP

All right looks like your scenario is legit. Can I get your number? Just in case.

ALEX

Sure officer and I can take that guy there to my grandfather's house. He's a doctor. A real good one too.

COP

(Takes Alex's number)

All right just let me get some I.D. on this guy.

[The cop takes Javel's wallet.]

JAVEL

(In a muffled voice)

Hey...

COP

(Looks for I.D.)

Okay, Mr....Javel Proto. You seem to be okay; you were in a car accident. This guy is taking you to a doctor.

ALEX

Hi Javel.

JAVEL

(Looks in pain and seems tired)

Hey...

[Alex runs to David's car parked off road next to some trees. He parks next to Javel and gets out. He helps Javel in and gets his seat belt on and tosses Javel's schoolbag

in there. Alex drives away.]

ALEX

You all right man?

JAVEL

(Looks completely out of it)

Yeah

ALEX

Don't worry we'll take good care of you.

[Alex parks at David's temple and gets Javel out. He helps Javel inside.]

DAVID

Alex? What happened? Who's this?

ALEX

I was testing my powers like you said to  
and when I glided I went to far up and  
landed in the middle of the road. This guy  
here got in an accident.

DAVID

All right you idiot get him on the bench  
in the backyard. I'll take care of him,  
and no more practice for today. I knew I  
should have accompanied you.

ALEX

(Walks outside)

I'm sorry okay? It was my first time.

DAVID

He may have died.

ALEX

(Lies him on a bench outside)

But he didn't.

DAVID

Just get out of here as I do my work.

[Alex leaves as David goes to Javel. David takes an incense stick and lights it. He seems in deep thought as he inhales the smoke. David exhales the smoke in Javel's face.]

DAVID

Do not fear the energy leaving my body has come to heal your wounds. It has come to you through this incense. Please breathe in its medicine as it heals you.

[Javel seems to be in less pain and more relaxed as he breathes in the smoke. An hour later Javel wakes up in a bed. Everything seems empty, and walls are bare. Javel gets up.]

JAVEL

(Looking around)

What happened? Hello?

DAVID

(Walking to Javel)

You were in a car accident. My grandson helped you out. I'm David.

JAVEL

Javel. Thank you for helping me.

ALEX

(Looks at Javel from another room)

It was nothing.

DAVID

Yes, nothing at all. Do you recall what happened?

JAVEL

I was mad as I left school. You see people  
find me to be this outcast, long story.  
But the rest is a blank.

DAVID

Oh well as long as you're all right.

ALEX

Yeah it would have been a shame if I  
didn't find you. Name's Alex.

JAVEL

Javel.

DAVID

So what you were saying was your life  
is...bad?

JAVEL

You could say that.

DAVID

(Gives him a piece of paper with an  
address on it)

Come here tomorrow I may be able to help.

JAVEL

(Looks at David strangely)

Okay. Well thanks for the hospitality.

DAVID

(Watches as Javel leaves)

And good health to the future Javel.

[He tosses Javel the school bag that Alex  
got as he took Javel away.]

[Javel leaves the Temple and walks home.]

INT. AT MARY'S HOUSE - NIGHT

[Mary is talking to Darren, her boyfriend, on the phone.  
She's on her bed. Her bedroom is painted pink, the carpet  
is tan and the bed is white. There are lots of decorations,  
pictures, ECT...]

MARY

Okay, see you then. I'll bring some  
friends to watch. Uh huh. Okay I love you  
too. Bye.

[Mary hangs up the phone and calls up Sara who's studying  
at her desk.]

SARA

(Answers)

Hello?

MARY

Hey I talked to Darren. The class is at 7  
P.M. we have an hour.

SARA

Okay I'll tell Mina, bye.

MARY

Thanks, bye.

[Hangs up.]

[Sara calls Mina and says pretty much the same thing. Mary  
calls Rita and says the same thing as well. Mary and Sara  
arrive at Zeus's Dojo at 6:30.]

INT. CLASS STARTING - NIGHT

[Sara and Mary park their car waiting for the others. There seems to be many other cars already there.]

SARA

Talk about being head of the class.

MARY

Shut up Sara. It's much better this way.

SARA

Yeah, but we could have also had time to do your homework too. Not to mention-

MARY

Meeting this guy was your idea.

SARA

It was Mina's and you know it.

[Ten minutes later, Rita parks her car next to Mary and Sara's. Mina is with her.]

MINA

(Looking at Mary)

Wow I thought we'd be hearing before you two easily.

SARA

Nope Mary decided it'd be a good idea to come a half-hour before it opens.

MARY

Well these cars are here.

RITA

You mean the empty ones that are in the dance school next door?

SARA  
(Looks mad)  
You're kidding me. MARY!

MINA  
Sara did you hear about Javel in the news?

SARA  
(Suddenly calms down)  
He was in the news?

RITA  
Yeah he got in a car accident. He's fine  
though this guy came and took him to a  
doctor. It wasn't that bad.

MINA  
Wasn't that bad? The top of his car  
practically caved in!

MARY  
Really?

SARA  
That's horrible!

RITA  
Yeah but he's okay so...oh well.

MARY  
(Sees Darren and leaves the car)  
DARREN!

DARREN

(Kisses Mary)

Hey how are you?

MARY

Great.

RITA

Who's he?

MINA

Darren, Mary's boyfriend. He told her when  
the class was mainly to show off.

SARA

I have so much better stuff to do then  
watch a bunch of barbarians show off in  
hopes that they can date us.

LITA

(Come up from behind Sara and grabs her)

REALLY!

[Sara screams and sees it's Lita]

Glad to see you made it. It's mostly  
sparing today.

MINA

Sparing?

LITA

Practice fighting dumbass.

RITA

Please Lita, just go away and crawl into  
the ditch your mom raised you in.

[Lita looks at Rita mad as is Rita and Sara at Lita as Lita leaves into the Dojo.]

MINA

Hey they must have unlocked the doors while we were talking.

[They all leave the car and lock the doors]

COME ON MARY!

MARY

(Is talking with Darren)

Go without me I'm busy.

[Mina, Rita, and Sara enter the Dojo and look around. Zeus is sitting down with a crutch against the wall.]

MINA

Umm...excuse me?

ZEUS

(Not looking at them as he writes something out)

Are you here to sign up or watch?

RITA

Were here to watch, okay Zeus?

ZEUS

(Looks at them)

All right.

[Zeus all a sudden looks back at the three girls.]

Oh...hi there.

MINA

Hi.

ZEUS

There are seats right there just don't  
interfere physically. Talk as you wish but  
don't disrupt the class.

SARA

Okay.

[The three girls take a seat.]

ZEUS

(To himself)

They're here.

INT. THE FIGHTING BEGINS - NIGHT

[Everyone is either seated or in class. Zeus stands up via  
a crutch for his now injured leg at the hands of the  
possessed cop.]

ZEUS

Students...in one month, I will choose  
five of you to compete in a special  
fighting tournament. This contest is full  
contact, and injuries are very possible.  
That is why I've been harder on you and  
asking you spar more often.

SARA

I have a weird feeling.

MINA

What's up with you and "weird feelings"  
lately?

RITA

I kind of have one too.

[Outside two cars park. One looks like David's. The other is more of a van but can't be seen well since its night.]

ZEUS

Lita will be first. Also-

DAVID

(Walks inside with Alex who's in the same  
Monk's robe as David)

No. Sorry to interrupt your class Zeus.

ZEUS

(Looking down)

What do you want?

DAVID

Well as you said there is a tournament  
coming up...how about introducing one of  
your students to fight mine.

[David points to Alex who looks at Zeus.]

ZEUS

Fine, same rules as in the tournament?

DAVID

How about a time limit? Full contact.

ZEUS

Deal. Lita, come here and spar.

LITA

(Walks to the center looking excited)

Yes, full contact.

ZEUS

Who is this student of yours? I didn't  
know you taught.

DAVID

Well I told you about him yesterday I  
believe.

[Alex removes the Monk's robe; he's wearing the same purple  
ninja wear as Alex in "Prologue".]

ZEUS

(Watches as Alex gets in the center and  
they both enter a ready stance)

Alex...SPAR!!

[People in the chairs cheer as Alex throws numerous knife  
hand blows. Lita blocks them but seems to be taken off-  
guard by Alex's speed. Lita counters with a kick Alex slaps  
down and comes up the blocking hand for a face rake that  
gets only hair followed by an uppercut that almost catches  
her in the chin. Lita quickly backs away but Alex charges  
after her.]

RITA

YEAH! Kick Lita's bitchy butt.

SARA

Rita!

RITA

C'mon she was so mean to us a little while  
ago.

[Alex gets into a crane stance (Standing sideways with left  
arm guarding the ribs, right arm guarding around the  
forehead, and one leg up) and comes down into a deep  
stance. Lita goes for a kick but Alex re-enters a Crane  
Stance.]

ZEUS

David, is that Kung Fu or Karate?

DAVID

(Smiles)

Oh his father and I taught him everything  
we know so hey who DOES know?

ZEUS

(Looks at Alex)

Damn.

[Alex hops into a ready stance as Lita goes for a jump kick. Lita catches Alex in the cheek making up back away. Alex charges at Lita with numerous knife hand chops. Lita goes for a high kick, but Alex catches it and twists the ankle making her turn her back. Alex Pulls the foot up making her fall flat on her stomach. Alex places his foot on her kidney area and pulls her foot he's holding up making a backbreaking submission hold.]

LITA

(Screams as she taps out)

AHHHHH!!!!!!!!!!!!!!!

[Zeus breaks them up. David gets in front of Alex looking at Zeus with a smile across his face.]

DAVID

(Laughing)

What's the phrase I'm looking for?  
Um..."The apple doesn't fall far from the  
tree"?

ZEUS

(Looks at David angrily as Alex picks up  
his monk's robe)

I hope you're happy.

DAVID

Well if you didn't see the smile on my  
face...I am much more than that.

RITA

(Looks at Sara)

That had to hurt.

SARA

Judging by the area his foot was and the radius of the pull...he could have easily broken her back.

MINA

Wow.

MARY

Maybe you girls should ask him out.

[The girls look at each other actually thinking about it. Even Sara thinks bout having a boyfriend who can easily protect them. All of a sudden, everyone except for: Zeus, David, the four girls, Alex and Darren pass out. They look around at the people somewhat confused. Zeus and David know easily what is happening.]

ZEUS

They're back.

SARA

(Looks around)

What happened?

DAVID

THE GREAT DIVAS!

[Two adults in the audience grab Sara. They look like the guys earlier: big muscles and no eyes. Sara screams in terror sees that she being grabbed by someone with no eyes.]

MINA

HEY LET HER GO!

[Mina and Rita try breaking the two away from Sara. Rita sees they have no eyes in their sockets.]

RITA

(Scared)

WOAH! The eyes! THEY HAVE NO EYES!

MARY

Quick, get Sara and lets run!

[Lita runs over as well as Alex and starts hitting the two adults. Alex gets one to let go. Darren jumps onto the other adult's back trying to choke him. Alex is with the first adult, they are grabbing at each other's throats. David walks over and bashes Alex's opponent in the back of the head with his cane. He's unconscious.]

ALEX

(Looks at David)

Talk about handy.

RITA

(Trying to get the other adult to let Sara go)

Let go of her!

LITA

(Gives the adult a roundhouse kick in a groin but does nothing)

...NO FREAKIN' WAY!

[Zeus looks over and sees David and Alex leave. Zeus crutches over to Sara and knocks out the adult with one good punch. Zeus watches the adult fall and looks to Sara.]

INT. THE TRUTH - NIGHT

[Darren, the girls and Zeus are sitting down talking. The students are still out cold.]

ZEUS

So anyway the council of gods reincarnated you and I sent you to Earth where I simply left you to good families with no hope of having children. It seemed the best way to handle the situation.

DARREN

Why wasn't I given this..."message"?

ZEUS

Darren, I believed after seeing it for yourself you would understand more instead of a dream. Besides, you always forgot your dreams.

LITA

So you've trained us since birth in our dreams?

ZEUS

Until you were thirteen, then it seemed as if you didn't believe I even existed. I just pointed you and Darren to this Dojo. Since you seemed to be the best of the six at combat.

MINA

So do we all have like a special skill or something? Like you said...Lita and Darren are fighters. Why else would you have taken this much dedication?

ZEUS

All right well, Sara is good at making a decent strategy given her given educational level. Mary with her leadership qualities. Also you and Rita with the qualities of following through with orders.

MINA

Mary's a leader? She can't even tie her own shoes.

MARY

I can.

ZEUS

Look, I've told you what you need to know.  
Now the reason you're all learning this.  
There is a war coming.

DARREN

What?

ZEUS

The reason I reincarnated you all is to  
keep a man known as Bain from destroying  
the Earth. However, he wants you all dead  
before hand.

MARY

(Sarcastically)

Nice to know.

ZEUS

One troop at a time he will send with the  
main mission of killing you all.

SARA

And then there is nothing to stop them.  
But why us?

MINA

Yeah, what's so special about reincarnated  
royalty?

ZEUS

You each were given a special..."gift"  
upon birth. Well here I'll show you, Sara?  
Stick out your arm.

[Sara does so and Zeus takes out some bottled water.]

ZEUS

Now concentrate on this water. Concentrate  
hard and focus energy on your hand.

MINA

What is it?

[Sara concentrates hard and all of a sudden a rush of energy bursts through her hand. She stops it in surprise...Zeus's whole arm is frozen.]

ZEUS

(Shivering)

Good. Surprisingly good.

[Zeus sends electricity through the ice, making it shatter.]

ZEUS

You see you were each given a gift involving an element. You, Sara, were on Mount Olympus named after the god Shiva who was known for her ice powers.

MINA

Do we have similar gifts?

ZEUS

Mary has light...Rita fire...Lita lightning...you have wind. I don't know how they are used for you. However, in due time and through practice will you learn.

MARY

Yet you taught Sara in less than five minutes.

ZEUS

Sara is an intellectual person. It's only obvious that's how she would use it. The key is finding where that energy is stored.

[The students slowly wake up.]

LITA

Oh good the other students are waking up.

[The students open their eyes.... that are missing like the adults.]

RITA

Oh no.

LITA

...We're in serious trouble.

[The students stay there somewhat laughing as Jasmine steps in.]

ZEUS

Jasmine.

JASMINE

That's the name, thanks for getting the Guardian Forces together that helped so much.

MARY

Guardian Forces? OH US!

MINA (SARCASTICALLY)

Thank you.

JASMINE

Hello there...Gabriella?

MARY

(Realizes Jasmine's talking to her)

Oh yeah...the god I was named after.

JASMINE

Hi I'm Jasmine. I turned on you all like...400 years ago for eternal life and beauty. Plus, get this...I'll the one you is going to kill you right about now.

[Lita sees the martial arts weapons behind Zeus's desk.]

MARY

Can't we just...get along?

JASMINE

No. Hey can you kill them now? I'm getting bored.

[The students (About 15 of them in all) walk towards the Guardian Forces. Sara freezes one student's foot to the floor. Jasmine looks at Sara.]

JASMINE

Shiva...I missed you. I used to pick on you so much. Okay fine I'll just kill you myself.

[Jasmine takes out a samari sword and tosses away the cover. She charges at Sara swinging away. Sara backs away screaming.]

ZEUS

(Punches out a possessed student)

Help her!

[Lita runs over and takes a kendo stick and a knife. She tosses Darren the knife. Jasmine swipes Sara's glasses clean off her face. Lita nails Jasmine in the back with the kendo stick; you can feel it as the hit sounds as a bone broke. Jasmine rolls away holding her back.]

JASMINE

(In pain)

OW!!! Do you have any idea how bad that hurt?

LITA

Yeah but I'm not sure. Let me try again.

[Sara freezes Jasmine's feet to the ground. Darren and Rita knock out tons of the students as Mary helps Sara on a chair and gets her glasses. Sara sees that she froze Lita not Jasmine.]

JASMINE

Thanks.

[Jasmine puts her blade against Lita's neck and goes back for a long swipe. Everyone watches in fear as She swings to

hit...Zeus's hand. Zeus stops the blade using his hand  
making drip blood faster and faster.]

JASMINE

We warned you Zeus. I did...Damian  
did...and the other two did behind your  
back. Now you die!

[Jasmine thrusts her blade into Zeus's body.]

LITA

NO!!!!

DARREN

OH MY GOD ZEUS!!!

[Zeus looks in shock as he falls to his knees. In anger,  
Darren attacks Jasmine with the knife slashing at her arms.  
Jasmine gets away...as the students all pass out again.  
Darren tosses the knife onto the ground and yells. Lita is  
still stuck in the ice as she cries. Zeus lies down and  
dies right there.]

INT. MEDICS ARRIVE - NIGHT

[An hour later, Lita is outside the Dojo still crying.  
Zeus's body is looking like any normal dead human's. Darren  
is sitting down by Lita consoling her as the ambulance  
arrives and takes Zeus's body.]

DARREN

(Looks at the medics as they get ready to  
leave)

Don't worry I'll close everything up.

MINA

(Sitting inside)

He's dead. I can't believe it.

SARA

(Phone starts to ring)

It's my entire fault. I caused it, and now  
he's gone. The guy who just told us our  
past. I can't help but think how much he  
could have helped us.

RITA

(Answers the phone)

Hello? Zeus?

ZEUS

Yes it's me. Put on the speakerphone.

[Lita and Darren hear this and enter as Rita puts on the  
speakerphone. Lita looks like she's been crying.]

RITA

All set.

ZEUS

Thank you...now look, I don't have much  
time. There's a book in my desk titled  
"Plans and Lessons" everything you need is  
there.

LITA

Zeus I'm going to miss you.

ZEUS

Me too...goodbye.

[Connection was cut off...there's even a  
voice recording saying it was.]

LITA

(Wipes tears)

How did...he do that?

SARA

(Takes a deep breath)  
He may have been given a last request or  
something.

LITA

Yeah I've heard of that happening.  
[Darren looks through Zeus's desk and pulls out a book.]

DARREN

"Lessons and Plans".

INT. MIDNIGHT - NIGHT

[Damian and Jasmine are talking in the park. The park is very dark out due to the night and lack of lights. There are many trees and bushes and there are a few benches and hills as well.]

DAMIAN

Congratulations Jasmine on killing Zeus.  
This is indeed good news.

JASMINE

I loved it.

DAMIAN

Good...but you said Prince Kain's ancestor  
drove you away? Seems like his family  
instincts are fueling him now.

JASMINE

This may be trouble, they knew about their  
heritage and their abilities. Shiva nearly  
froze me to my death.

DAMIAN

(Looks around)  
Sh....did you hear something?

[Damian looks through the bushes to see Javel with a smoke  
bomb.]

JASMINE

You thinking what I'm thinking?

DAMIAN

Yes...we need more numbers.

[Screen fades to black as Jasmine and Damian smile at an  
unknowing Javel.]

FADE OUT.

THE END
