INT THE FIRST ROUND - DAY

[Dawn breaks as there is a tribal song being played on many different types of drums. The screen goes to a huge crowd of people sitting on numerous sets of bleachers in an outside arena. The bleachers are surrounding a large square made of solid rock. The square has each of the sides ten feet long and the entire thing is five inches thick. Next to the bleachers separated from them by a gate are the participants of the tournament along with their accomplices. They are about thirty or forty people all together. Ms Martha Winn steps onto the enormous square wearing a business suit and holding a microphone.]

Ms Winn
GOOD MORNING EVERYONE!!!

[The audience cheers.]

As you all know, today is the beginning of the tournament. Now I realize you all want to see the action, however I must brief you all of the rules of this contest. It is fairly simple: two step onto this stone structure called a "torture square" due to it is torture getting tossed onto it hard. Many backs have been broken by use of this that it is illegal to use in thirteen American states. In order to win you must make the opponent submit, knock him or her unconscious, or get your opponent outside the "torture square". Participants are allowed to bring one NON LETHAL weapon to their fights. Now before we bring out our first two participants, lets all applaud the man who made this all possible...David Skyhawk!

[The crowd looks over at David Skyhawk who is sitting with the participants smiling.]

Now lets begin!

[The crowds cheer louder than ever as five referees walk to the "torture square". There is one referee on each corner and another inside wearing protective padding. The tribal music continues to play as a man from the participants walks to the square with his accomplice. He's wearing black boxer's trunks and is Japanese with bleach blond hair. The accomplice is a Japanese woman with black hair and is wearing a green tube top.]

The first participant accompanied by
Gail...Guy Yokohama!

[Crowd cheers]

All right now the brackets have been shown to every participant last night, but we lied. We changed them all over again so have fun Guy.

[Ms Winn leaves the square as the tribal music plays more.]

Commentator

Good day everyone. I'm Jason Will and beside me is "The Man" Ernie Kid.

Kid

Thanks Willy.

Will

Don't mention it Kid.

[A woman walks to the ring wearing all leather stuff. She has on a leather suit and a long leather jacket. She walks to the square looking at Guy through a pair of small sunglasses.]

"Key"!

Damien
(Looking on)
Oh my god!

Cherry

It's really her sir.

Damien
I can tell!

Referee
(Walks to Guy)
Weapon?

[Guy smiles showing his fists. The referee walks over to Key. Key opens her jacket showing a bunch of obviously fatal weapons.]

HOLY CRAP! Umm the rules they...they say...

Key
What do your "rules" say?

Referee
(Looks scared beyond belief)
No fatal weapons.

Key
(Shrugs and whistles)
Colossus.

[An average-sized black man with no hair wearing African-style clothes walks to Key. Key takes off her jacket and hands it to him.]

If as much as a pair of Sais are out of place I'll make you wish you were never conceived.

[Colossus nods and walks back.]

Guy
No accomplice?

[Guy smiles as he enters an attacking stance. Key doesn't move a muscle. A muscular man pounds a hammer into a big gong, the match begins as Guy punches numerously at Key looking very confident. Key just stands there as Guy hits her.]

No fight either? C'mon.

[Guy kicks Key's sunglasses off. Key kicks Guy in the groin, Guy yells as he falls to his knees. Key grabs his hair and steps on his chest. Key pulls a handful of Guy's hair out.]

OH MY-

[Key kicks Guy in the face knocking him out. The referee checks on him to see if he's out.]

Will
That was just...wow.

Kid
I'll say, hardly as much effort it looked on Key's part.

Will
I'd hate to date her.

[The two commentators laugh like idiots as the referee calls for the gong. The gong is hit and Key leaves the square.]

Ms Winn
"Key" is the winner!!

[Crown cheers as Key goes to Colossus and gets her jacket on.]

Key
The bitch broke my glasses.

Colossus
Bastard.

[Guy's accomplice walks away as Guy crawls away from the square.]

Kid
Well "Key" gets the number one spot in round two.

Will
Next match determines the number 3 spot.

[Javel finds Sara while walking back from the snack bar; he's holding a hot dog.]

Javel
Hey Sara, whose accomplice are you?

Sara
Oh hi Javel, I'm helping Rita out.
How's Alex doing?

Javel
(Takes out a ketchup packet)
Fine, I think he's got it won.

Mary
(Turns around looking at Javel)
Yeah right.

Javel
Will you agree with me if I give you this hot dog?

Sara
Oh that is mean.

Mary
Is there mustard on it?

Javel
There will be soon.

Mary
DEAL!

[Javel smiles giving the hot dog to Mary.]

Sara
What do you want?

Javel
Just wanted to check out the competition.

Sara
Lita can beat Alex easily.

Javel
Want to make a bet?

Sara
Oh this is what you wanted? A bet?

Javel
I will do anything you want if Alex
loses.

Mary
That's so childish.

Sara
Hey you made a deal with him for a hot
dog.

[Mary turns away silently.]

Javel
What will you do if Lita loses?

Sara
All right...there's a couples-only dance
tonight to honor those who made it to
round three. If Lita is eliminated by
then I'll get you a date for it.

Javel
...You can get me a date? What if Lita
loses in the other rounds?

Sara
...Then...I'll...

Javel
What? YOU'LL date me?

Sara
Well if you're that desperate, fine.
Deal?

Javel
Say what?

Sara
You get a date if Lita loses.

Javel
Deal.

[They shake hands and the gong is heard.]

Darren
Second match is over.

Sara
I missed it? Thanks a lot Javel.

Javel
Whatever you just made my day.

[Javel goes to Alex smiling.]

Kid
"Blaze" has lost to Viggo Wren, the Frenchman well known for his literary talents, martial arts and good looks.

[Viggo is celebrating with his accomplice as Blaze walks away looking disappointed]

Ms Winn
Accompanied by Sara Winter...Lita Walters!

[Crowd cheers as Lita and Sara walk to the square; Lita is wearing her self-defense uniform and Sara is wearing her usual clothes and holding a Bo. She hands the Bo to Lita.]

And her opponent accompanied by Blaze, Jasmine.

[Jasmine and Blaze enters the square; Jasmine is holding a wooden sword. The two put up a fighting stance and the gong is hit.]

Jasmine
Quetzocotl.

Lita
Jasmine.

Jasmine
First I kill Zeus, now I get to beat his prized student. It is far more than perfect.

[Lita swings her Bo at Jasmine only to be blocked with Jasmine's wooden sword.]

Kid

Hey I thought swords were fatal weapons.

Will

Actually, wooden swords are practice weapons that couldn't cut a piece of meat.

Kid

Fair enough.

[Jasmine swipes at Lita and pivots into a stabbing move. Lita redirects the stab attempt into the ground, breaking the sword.]

Jasmine

My sword! Okay I'll make Zeus's death look like a mistake compared to what I'll do to you.

Lita

We'll see about that.

Jasmine

No need to see this.

[Jasmine swipes the broken wood-end of her sword at Lita's face; Lita's face is bleeding somewhat around the cheek and forehead area. Lita swings her Bo, but Jasmine dodges and counters with an elbow to the stomach; Lita bends over in pain as Jasmine knocks her down face first.]

Sara

LITA!

Jasmine

(Smiles looking at Sara as she gets up)
Cherry remembers you Shiva...your shoulder too. What a shame your little friend here can't even defend herself, even less prevented what happened to you.

[Sara looks mad at Jasmine. Jasmine gets up and kicks Lita hard in the stomach while she's down. Lita lets out a groan of pain and agony.]

Kid

This must be murder on poor Lita.

Will

She must not have been ready.

Kid

Well look at her past...she's an orphan with an apartment that she shares, not many friends, and above all else her instructor died over a month ago. So you got to think about all this emotion she has stored in her heart. What do you think about that Will?

[Will looks at the action.]

Will

Just being here proves she wants to make an impact. Either that or she wants to make some tribute but I don't know.

[Jasmine grabs Lita by the hair but receives a punch to the face for her actions by Lita. Lita charges at Jasmine and tackles her; Lita starts punching her repeatedly.]

Lita

I'LL TAKE YOU ALL OUT!

[Lita gets Jasmine up and administers a hip toss onto the hard floor; Jasmine looks in shock by the pain the stone floor causes.]

Will

I KNEW IT!! I KNEW SOMEONE WOULD USE THAT FLOOR SOONER OR LATER!

Kid

You can feel the pain she's in!

[Lita gets Jasmine up by the hair and tosses her out of the square; the gong is soon hit.]

Ms Winn
LITA IS THE WINNER!!

[Crowd cheers as Lita looks at them all; Sara cheers as well smiling.]

Sara
Yes Lita! You're 25% away from the winner's spot.

[Lita and Sara leave the square back with the rest of the participants. Jasmine leaves looking in pain and not too happy about losing.]

Cherry
(Looks at Damien)
Half of us are gone.

Damien
Blaze and Jasmine rely too much on weapons. We need to use our hands and concentrate of THEIR movements and not ours. That is our mistake and we need to correct that.

[Many clips are shown of the first round matches; Darren wins a fight against a man named Lance Ford who did mostly acrobatics and not fighting; Rita fights as well as: Colossus, Damien, and many others who fought well and left many cracks and breaks in the "torture square". The gong is hit as the last match of the first round has ended. Over 3 hours have passed and many look tired.]

Ms Winn
The first round is over. Here are the official matches, are these matches real? Maybe. They are:

"Key" Vs. "Damien"
Viggo Wren Vs. Alex Hawkings
Lita Walters Vs. Samantha Greene

Darren Baker Vs. "Cherry"

AND FOR THE BYE INTO THE FINAL ROUND!!

Rita Crim Vs. "Colossus"

Now we will have a two-hour break so that the participants can prepare for one more round for the day. I hope you are enjoying yourselves because the buffet in the break rooms in that building there should be well worth it!!

[Crowd cheers as they get up and leave to the break room building down the street.]

Javel
Good work Alex.

Alex
More work to do.

Javel
So can you let me in on that errand thing so I could get it over with?

Alex
No...I can't sorry.

[Alex leaves to the break room building.]

Javel
C'mon...fine.

[Javel goes where Alex is going.]

INT THE BREAK ROOMS - DAY

[There is a huge buffet in the entire building with music and everything. The audience is in most of the rooms and mostly just the participants who made it in the second round as well as their accomplices are sharing two of the rooms. The rooms have wooden floors, yellow blinds, red painted walls, and three chandeliers in each room. Mary and Lita are at a table stuffing their

faces as Mina is talking to Alex. Javel
is seen getting food and Sara is
talking with Rita.]

Mina
That was some good fighting.

Alex
Thanks...but I still have a long way to
go to win.

Mina
Well think of it this way, you've
already gotten where half of them
couldn't. Soon after the second round
you'll be where another half hasn't
gotten and so on. So in many ways...you
just beat eight people.

Alex
(Smiles)
True...very true.

[A teenage girl walks over to Alex and
Mina.]

Teen Girl
Excuse me? Alex?

Alex
Hi there.

Teen Girl
Aren't you Alex Skyhawk?

Alex
(Looks a little shocked but tries to
stay casual)
N...no I'm Alex Hawkings.

Teen Girl
Because you look just like Adrian...or am
I thinking David?

Alex
I honestly couldn't tell you since I'm
not that guy.

Mina
Sorry.

Teen Girl
(Sighs)
All right.
[The little girl walks away.]

Mina
Now I feel bad for her.

Teen Girl
(Scrams)
DAVID SKYHAWK!! OH MY GOD!!

Alex
Don't worry about it.

[David runs in the room looking scared.]

David
(Breathing heavy)
I hate the paparazzi.

[Alex and Mina laugh as Javel goes to David and look as if they're having a good conversation; Damien and Cherry are staring at Colossus and Key.]

Damien
Key...looks like we're fighting.

Key
Damien...looks like I'll finally have the right to kill you. Now you know why we're here.

Damien
Of course I do.

Key
The "Numbered Soldiers" were reported to be dwelling here. Also you haven't reported contact with any of the "Guardian Forces" am I correct?

Damien
That is confidential.

[Colossus steps forward looking Damien in the eye.]

Colossus
CONFIDENTIAL MY ASS! You keep
information from us and we kill you
where you stand.

Damien
Then good luck finding out whatever we
know. Without us, your work will be
taken back a good month or so. Isn't
that right Cherry?

Cherry
Exactly sir.

Key
How do I know your bluffing? How do I
know you have even seen a single member
of the "Guardian Forces"?

Damien
Call it a crapshoot. You don't know the
risk you'd take if you kill us,
especially if you kill us right here.

[Key and Colossus look angrily at
Damien who is now smiling and walk
away.]

Key
We're going to make him suffer if he
gets in our way.

Colossus
Yes.

[Key and Colossus leave as Damien and
Cherry leave in another door; Ms Martha
Winn enters and everything is silent.]

Ms Winn
Congratulations all of you for your
efforts. Please take this time now to
think about what has happened so far
and where it will lead you all.

[Shows all the faces of the
participants as Ms Winn talks.]
Imagine right now, "What if I win?"
"What if I make it?" "What will
happen?" "How will it affect you?" But

that most important thing to ask is...“what will you do with what you have all ready have?” You all have proven by winning the first match you deserve to be here. NOW SHOW THESE PEOPLE WHY!!

[The participants cheer as Ms Winn nods her head.]

People who made incredible sacrifices taught you all. So right now if you feel you cannot defeat you opponent...YOU GIVE THEM HELL BEFORE THEY EVER DEFEAT YOU!!

[Everyone cheers as Ms Winn nods and leaves.]

Viggo

Bravo! Everyone...after I win against Alex I want everyone to celebrate with me. We will have wine until morning comes.

Alex

Okay now I feel bad, this means I'll be canceling a party. This is starting to suck now.

[Javel laughs.]

Javel

Take that Frenchman!

[Sudden silence as everyone stares at Javel.]

Umm-sorry guys.

INT OUTSIDE THE BREAK ROOMS - DAY

[Javel is literally tossed out of the building and falls flat on his face. Alex doesn't help he just watches and continues talking to Mina. Javel slowly gets up and dusts himself off.]

Javel

Well that sucked hard.

[Sees Cherry walking towards him.]

THAT SUCKS HARDER!

[Javel bangs on the door hard]

LET ME IN!! PLEASE LET ME IN!!

[Cherry picks up her spear and Javel looks at her with it in her hands.]

OH SCREW THIS!

[Javel dodges a lunge of Cherry's spear and it hits the door making a dent; Javel runs away. As Javel keeps running, he sees Jasmine and Blaze running after him as well. Damien come out of nowhere and grabs Javel by the throat.]

Damien

It's about time I found you, you little maggot-filled puss ball. Now I think I should kill you now, don't you think so? You see I'm a little mad right now and I need a little relief.

Jasmine

Don't you think we should possess him?

Damien

Won't do us any good. The possessed still have very little IQ.

[Pair of Sais come out of nowhere and enters Damien's calves; Damien yells in pain as Javel runs away.]

Damien

GET HIM!!

[Key comes out of the bushes.]

Key

Stay where you are! I'm the top assassin! I'm in charge now.

[Colossus jumps from a tree and takes back Key's Sais.]

Colossus
Do you like blood on your Sais?

Key
He bled on my Sais?

Colossus
(Smacks Damien on the back of the head)
SHAME ON YOU!

Key
So this is what you do in your spare
time? Kill random people? He not a
"Numbered Soldier" he's too weak-
looking. Also that cannot be a member
of the "Guardian Forces" since he's a
guy and not Prince Kain at all.

Damien
He was-

Key
SHUT UP!

Damien
I lead the "Great Divas", got it? By
the laws that Bain made, all you are is
another leader of another troop. Now
that man there is a spy that the
"Numbered Soldiers" trained. Didn't you
see how he ran away? He didn't even
think to check where we were, he knew.

Key
Okay that seems rational...but what if HE
WAS SCARED SO MUCH HE RAN! Idiot. I
guess MY troop will see YOUR troop
later.
Damien
Fine.

[The "Great Divas" watch Key and
Colossus leave; two hours have passed
and now every participant and
accomplice is back where they were.
More Crowds are gathering than they did
before for the first round.]

Ms Winn

Ladies and Gentlemen...this match will
determine the first finalist in the
tournament!!

[Crowd cheers]

The finals will be held much
differently than its predecessors. But
we will get into that part later so now
lets get to the action.

[Crowd cheers as Rita and Mina walk to
the square.]

Accompanied by Mina Rodriguez...Rita Crim!

Mina
You ready?

Rita
Yeah lets go.

[Colossus walks over to the square
looking at Rita.]

Ms Winn
Colossus!

[Colossus walks to the center looking
at Rita smiling.]

Rita
I'm so not ready.

[Colossus stretches]
Key
Make an impact on her!

Mina
Don't worry you can still...no wait...well
you can...no but...no.

[Colossus gets in a grappling stance (A
stance where he wants to grab someone
and toss him/her and/or do a submission
hold); Rita gets in a defensive stance
as the gong is hit.]

Mina
C'MON!

[Rita tries to punch but the arm is caught and Colossus turns it into a standing arm wrench submission hold; he even picks Rita up using that hold and slams her on the stone floor.]

Key
YES!

[Colossus grabs Rita by the hair and pulls her to the edge but keeps her from going out. Rita even tries to get out but he won't let her.]

Kid
This is too cruel.

Will
Can you please stop the match!

[Colossus grabs Rita by her jaw and forces her on her knees; he takes out a kali stick and smashes it in her face; Mina is standing there with her hand over her mouth as Rita is out cold; the gong is hit without delay.]

Mina
RITA!!

[Mina runs over to Rita to see if she's all right; Rita is still breathing even though she unconscious; Alex and Lita run over to help her up.]

Key
(Smiles)
Perfect.

Lita
Now that was brutal.

Alex
Talk about a mismatch.

[Alex picks Rita up; the side of her head is starting to swell up.]

I'll take her to the nurse; my match
won't happen for a while anyway.

Lita
You sure?

Alex
If I'm not back be sure to tell Javel
to have them wait a few, he knows what
to do.

[Alex walks with Rita in his arms.]

Colossus
Well hope I made an impact.

[Lita takes her Bo and whacks Colossus
over the head with it; he falls over
bug-eyed looking at Lita as the
referees break it up; Lita and Mina go
to where they were.]

INT THE NURSES OFFICE - DAY

[Alex lies Rita on the nurse's bed and
takes out some liquid and a cotton
ball. He soaks the cotton in the liquid
and dabs the swollen area with it. The
liquid seems to be bubbling up outside
the skin; Rita starts to wake up.]

Alex
You okay? Relax its just peroxide I put
on your face and don't touch it.

Rita
Alex...don't you have somewhere to be?

Alex
Not for a little while. Besides I know
how to take care of these things.

[Alex puts a big bag of ice on Rita's
face where she was hit; he then puts
her hand over it.]

Hold it like that for a half hour and
the swelling should go down.

Rita

Swelling?

Alex

Just lay back and relax. You'll feel better soon enough. You'll be perfectly normal by that couple's dance tonight.

Rita

Yeah I heard about that.

Alex

Are you going?

Rita

Well since it's a "Couple's Dance" I can't.

Alex

Your boyfriend hates them?

Rita

Close...no boyfriend.

[Alex smiles shaking his head]

Alex

Well no girlfriend here but I'm still going to sneak in. Either that or get Javel a dress.

[Rita laughs]

Rita

Oh my god! Well...unless that's what you're into.

Alex

My bad I thought you were into guys.

Rita

WHAT!!

[Alex laughs]

Alex

Nobody gets a gay joke on me.

Rita

That doesn't make sense.

Alex
But are you making a gay joke?

Rita
Oh you suck.

Alex
No I don't, if anyone sucks its
Colossus after what happened. After I
win my match I'm facing either Damien
or Key if the brackets aren't changed
around. Afterwards I face someone and
that big gay sucker.

[Rita smiles.]

Well I should go I got to get ready.

Rita
Thanks for everything

[Alex smiles]

Alex
Don't mention it.

[Alex stops at the door]

Hey Rita?

Rita
Yes?

Alex
Were you looking for someone to take
you to that dance? If you want-

[Javel runs in]

Javel
Oh my god Alex you won't believe this
I...oh hi Rita how's your head?

Rita
Great.

Alex
What do you want?

Javel

Your match is coming up next they just started Darren and Cherry and it isn't looking good for Darren let me say.

Alex
All right thanks.

Javel
Rita your match pissed off Lita so bad, she just finished a massacre on this girl named Samantha Greene. It was incredible even one of the commentators even fainted from the violent beating. It was amazing; oh...I'm sorry did I interrupt something?

Rita
Actually I was about to say that I'd love Alex to take me to that couple's dance tonight.

Alex
Great, it'll be fun. Promise. We got to get going.

[Rita waves resting the ice on her face as Javel and Alex leave.]

INT THE SECOND ROUND (cont.) - DAY

[Cherry has just gotten Darren out of the square; the crowd cheers loudly as the gong is hit.]

Mary
NO!

Ms Winn
The winner..."CHERRY"!!

[Cherry goes back without saying a word; Mary helps Darren up and they leave together.]

Now our next match...trained by our own David Skyhawk and accompanied by Javel!!

[Everyone cheers]

ALEX!!! HAWKINGS!!!!

[Alex and Javel rush to the square and
Alex jumps on; Javel tosses Alex a
wooden sword.]

His opponent with Roberto...Viggo WREN!!!

[Viggo and Roberto walk down to the
square smiling; Viggo is posing and
Roberto is smiling as if Viggo has won
it already.]

Viggo
Do you need that Alex?

Alex
Now that I think about it...not at all.
[Alex smiles as he tosses the wooden
sword away; the gong is hit.]

Viggo
Ready?

Alex
Ready as always.

Viggo
Hope your little friend doesn't make
anymore-rude comments about my people.

Javel
U.S.A.!! ALL THE WAY!!

Alex
Too late then I guess.

Viggo
Oh well.

[Viggo throws a left punch blocked with
Alex's right hand; Alex's right hand
drops to block Viggo's follow-up right
kick.]

You're quite fast.

Alex
Quite right.

[Alex throws a flurry of knife hand blows at Viggo; Viggo is nailed in the forehead and nearly falls over.]

And it seems I'm faster than you are right now.

Viggo
We'll see.

[Viggo charges at Alex throwing punches, forearms, low hammer fists and uppercuts; Alex dodges and blocks most of them where the rest hit him in the back and solar plexus causing him to fall onto one knee.]

Viggo
Heart punch, a thrust punch into the solar plexus where the heart is unprotected. Do you like it? I can give you seconds.

Will
Looks like its trash talk from Viggo that's hyping this match.

Kid
Looks like Viggo's winning too.

[Alex gets up as Viggo goes for a spinning jump kick; Alex catches one of the legs and turns it into a half crab. Afterwards, Alex plants his foot into Viggo's kidney area and pulls hard to intensify it like when he first sparred with Lita.]

Will
What a counter!!

Kid
But will it pay off?

Roberto
HOLD ON VIGGO YOU CAN STILL WIN!

Javel
C'MON ALEX...CRANK HIM HARD!!

[The crowd cheers as Viggo taps out and the gong is hit; Alex raises his hands in victory and Javel jumps on his back in celebration.]

Ms Winn
ALEX HAWKINGS...IS THE WINNER!!

Javel
YES!! We're still in!! IN YOUR FACE
SARA!!
[Javel jogs back where they were waiting in celebration. Alex walks over to Viggo who is still getting up.]

Alex
Viggo...

Viggo
(Looks at Alex)
Yes?

Alex
(Offers a handshake)
Good match.

Viggo
(Shakes his head smiling)
Good match.

[Alex and Viggo shake hands making the crowd cheer louder than ever.]

It's a shame...I really wanted to win.

Alex
You did better than half the guys here.
That's an accomplishment on it's own.

Viggo
Indeed it is...until next time Alex.

Alex
Next time.

[Viggo and Alex leave the square smiling as Viggo goes away and Alex goes to Javel to celebrate.]

Ms Winn

(Puts away the microphone)
Now that's sportsmanship.

David
Yes it is.

[Ms Winn looks serious]

Ms Winn
David you can stop pretending I know
it's your grandson.

David
I wish.

Ms Winn
David other than looking like you in
some traits, I saw him in the past and
all that separates him from then and
now is his look.

David
Martha...lets just watch the action.

Ms Winn
Fine.

[Ms Winn takes the microphone back]

Ladies and gentlemen! The closing of
this tournament is becoming near and
today we only have one match left. Then
we start making things interesting.
These last two are without accomplices.
Coming out first..."Damien".

[Damien slowly walks down to the
square.]

And his opponent, who made it this far
with ease..."Key".

[Key hands Colossus her jacket and
walks to the square. Out of these two,
neither of them have weapons; the gong
is hit.]

Key
Ready?

Damien
Are you?

Key
You know why I beat Guy so easily.
[Key sticks out her hand and one of her
fingers turns into two different
fingers.]

Damien
I don't need a demonstration.

Key
But you need help because the job
couldn't get done

Damien
I'm working on it.

Key
And now, so am I.

[Damien throws a flurry of punches and
kicks...Key is hardly even touched.]

Done yet?

[Key jabs Damien hard in the throat
with a right and face with a left;
Damien backs away trying to keep a good
defense; Key circles Damien like a
vulture.]

You can't win Damien no one can beat
me. Nobody can beat somebody who is
literally infinite. You should just
quit, get away from getting killed.
Understand now Damien, I've killed much
worse people than you've ever met. If
you fail your mission...I'll be there to
kill everyone.

[Damien starts walking away and
eventually leaves the square; the gong
is hit.]

Cherry
No...

Ms Winn

The winner is "Key".

Will
That was one weird match.

Kid
All he did was get hit a few times and
he backed off.

Cherry
Sir...is she that powerful?

Damien
...Yes.

[Key walks over to Ms Winn and they
seem to be talking; Key soon walks
away.]

Ms Winn
Ladies and Gentlemen...Key has forfeited
her spot on the tournament to Damien.
So even though Damien has lost, he won
too. I asked why and all I received for
an answer was that she had done what
she came to do. So the Semi-Finals are
as follows:

"Damien" vs. Alex Hawkings

Lita Walters vs. "Cherry"

[Crowd cheers as the last of the
participants are shown on the screen
with their accomplices.]

The winner of those matches will face
off in a three-way match...against
"Colossus". Good night everyone and
don't forget there will be a charity
ball or dance for couples only held in
the same building as the break rooms.
It will be held at 10 PM tonight. Have
fun and be here tomorrow for the
conclusion of this thrilling tournament.

FADE OUT.

TO BE CONCLUDED
