INT AROUND THE "TORTURE SQUARE" - DAY

[Screen opens at the square where all the participants and accomplices left are talking to each other. Alex and Javel are talking with David; they look as if they're happy.]

David  
Good work Alex.

Javel  
Hey a man is nothing without his crew.

David  
Crew? HA! Don't get me started Javelin.  
Alex worked hard and he deserves it.

Alex  
No offense.

Javel  
None taken.

Alex  
So hey why is Damien and Cherry here anyway?

Javel  
Maybe they want in that event to possess the champion.

Alex  
No...too risky, these guys want a sure thing you know?

David  
Well maybe they knew you were in it.  
Maybe they wanted to send you a message.

Javel  
You mean like that "Key" person?

Alex  
What was with her anyway? She went through Damien and the other guy like they were nothing and got hit without even flinching.

David  
Yes...there is something strange about her and I'm sure there was something we

may have seen...Javel do you know how to  
work a video camera?

Javel  
You bet...

David  
Follow me.

[David leaves the arena with Alex and  
Javel following.]

INT THE NURSE'S OFFICE

[Rita is checking her face where she  
was hit by Colossus; the swelling is  
gone and there seems to be just  
redness.]

Rita  
(To herself)  
Nice work Alex.

[Sara and Mina enter to see Rita  
checking the redness on her face.]

Sara  
You seem to be looking better.

Mina  
Yeah I thought you would still be out.

Rita  
(Isn't paying attention)  
What time is it Sara?

Sara  
Almost noon why?

Rita  
Nothing I just have a date for that  
couple's dance.

Mina  
Oh cool who is it?

Rita  
Alex.

Mina  
(Looks at Rita a little unbelieving)

...No really who is it

Rita  
No really, Alex asked me while getting  
me some ice for my head.

Sara  
Rita...how hard did you get hit?

Rita  
I'm serious.

[Rita goes to the door.]

I'm going to that dance with Alex...case  
closed, goodbye.

[Rita opens the door to see a group of  
around ten or fifteen possessed ones  
standing there looking like always;  
Rita hesitates and soon shuts the door  
quickly.]

Hello again.

[The possessed ones start banging at  
the door.]

Mina  
Who is it?

Rita  
Possessed guys.

Sara  
Oh no, I thought we were done.

[Mina shakes her head as she looks  
around something to use.]

Mina  
Only been a week.

Rita  
[Holds the door shut.]  
Try a month.

Sara  
We should have been more prepared...Rita  
back away.

[Sara puts her hand on the door and starts to freeze the door; in about three minutes the door is gradually sealed with ice.]

That should hold.

Mina

That explains why the "Great Divas" entered the tournament...they wanted to find us because they lost track of us.

Rita

Maybe but...Sara can you hear anything?

Sara

...Not a single thing.

Mina

Maybe they quit...

[The door is completely smashed open by a huge battering ram held by the possessed ones; Blaze and Jasmine are behind them all.]

Blaze

Heard you were here...glad to finally meet you all, I'm Blaze.

[Blaze takes out a pair of Sais and hops over the ram and everything as she charges at Mina; Rita throws an empty wheel chair at Blaze and Mina jumps on her back to apply a chokehold; the possessed ones slowly put down the ramp as Jasmine is there ordering them to.]

Blaze

Bad move.

[Blaze gets hit in the hand with Sara's Ice Powers; Blaze's left arm is frozen.]

Sara

No...my move.

[Rita takes away Blaze's unfrozen sai from her unfrozen hand; Blaze looks at

her shivering as Rita aims the sai at her.]

Jasmine

WAIT! Don't you dare do that to her.

Rita

You killed Zeus so why not?

Jasmine

It's...its murder. You can't murder people because you'll go to jail. I did it because I can I'm not of the system. You are of this system so you have no choice but to follow.

Rita

...How can we take care of you for good?

Jasmine

All right, all five of you go to the park. Midnight...tomorrow night, we will all be there and all I ask is that you do the same. It will all end when one group is dead.

[Jasmine looks at Sara]

I see you have had experience with your powers Shiva...you'll need them. Now just drop the sai and we'll all leave.

[After a slight wait...Rita drops the sai and Blaze leaves the room holding her frozen arm.]

Tomorrow at midnight...see you all then.

Blaze

Phoenix...

[Blaze gets no response.]

You choke like a bitch.

[The possessed ones all pass out and the two "Great Divas" leave.]

Mina

Phoenix...was she talking to me?

Sara  
We got to learn more from that book  
Darren has.

[The three girls leave the room; the  
room is in an obvious mess. Five  
minutes later a janitor comes in that  
room.]

Janitor  
(Shocked to see this mess)  
...Damn...I better get a raise for this.

INT RITA'S HOUSE - NIGHT

[Rita is on the phone with Mary; Rita  
looks like she just got out of the  
shower and her face seems to have  
healed fully.]

Rita  
Yeah, so you and Darren will be there  
too? Cool...hey what do think about this  
meeting thing with the "Great Divas"?  
Yeah...oh hey I have a call waiting.

[She presses a button.]  
Hello? Hi Alex...oh I don't mind if Javel  
gave you the number. Oh okay, thanks  
Alex. See you then.

[Rita presses the button]

Hello? Hey Mary, that was Alex.

[You can hear Mary's voice getting  
hyper and everything; Rita laughs]

Relax Mary just breathe for me right  
now, okay? YOUR NOT DOING IT! Take some  
"chill pills" or something. Okay, I'll  
be there soon...bye.

[Rita hangs up and takes a red dress  
out of the closet; she puts it on the  
bed and someone knocks on her door.]

Rita  
Yes?

Someone  
Hey Rita?

Rita  
(Sighs)  
Yes daddy? You can come in.

[Rita's dad enters the room wearing a gray business suit with a red tie combing his black hair back; he has the same eyes as Rita and is about the same height as well.]

Rita's Dad  
Hey I got to get going, big business meeting.

Rita  
Okay.

[Her dad looks a little unhappy.]

Rita's Dad  
I'm really sorry I can't meet this Alex guy, he seems nice and I do want to meet him.

Rita  
I understand and I will be fine.

Rita's Dad  
Rita...we need this, I could get a promotion if this goes perfect.

[Rita doesn't look happy.]

Okay, I know your fed up, I know...look I just want-

Rita  
To make sure I live like the princess I am.

Rita's Dad  
...Do I sound *that* lame?

Rita  
Yes. Now just get out of here. He's coming soon and I need to get changed.

Rita's Dad  
Okay.

[He leaves Rita's room]

But so you know you changing is nothing  
compared to when you were a baby.

Rita  
DAD!!

[Rita slams her door shut as her dad  
walks away laughing.]

Rita's Dad  
I'll be home late so I better get going.  
Rita  
Bye.

[Rita's dad leaves the house getting  
out his keys as Alex parks David's car;  
it looks like it was given a lot of  
work.]

Rita's Dad  
Hello there.

[Alex gets out; he has on a suit  
similar to Rita's Dad only different  
sizes and colors, and he has a gold  
ring on.]

Nice suit, Alex right?

Alex  
Yes I am.

Rita's Dad  
Pete, I'm Rita's dad.

[They shake hands; Pete looks at Alex  
strangely.]

You look so familiar we met?

Alex  
Not that I know of.

Pete

I'd stay but I need to get to a  
business meeting.

Alex  
Oh my dad does the same thing, only I  
wouldn't call it business.

Pete  
Oh I see what does he do?

Alex  
He is...it's a bit complicated.

Pete  
I understand well I got to get going  
like I've said. Have fun.

[Pete gets in his car and drives away;  
Rita is looking from the window smiling  
that her dad talked to Alex even after  
he said he didn't have the time; Alex  
enters the house.]

Alex  
Hey Rita I'm here.

Rita  
(Smiles as she walks down)  
I saw you come in.

Alex  
You look great.

Rita  
So do you.

Alex  
Ready to go?

INT THE COUPLE'S DANCE - NIGHT

[The outside of building is decorated  
with many ribbons and lights; tribal  
dancers are they're playing music and  
dancing everywhere; Mary and Darren  
wait as Alex parks the car and helps  
Rita out.]

Mary

This ought to be fun.

Darren

Yeah but we don't really know this guy.

Mary

Well Rita does and we should trust her.

[Alex and Rita go to Mary and Darren;  
Rita is holding the ring Alex was  
wearing.]

Rita

This must be worth a fortune.

[Rita gives the ring back to Alex and  
he quickly puts it back on.]

Alex

Family Heirloom.

Rita

Cool, hey Mary hey Darren.

Alex

Hi there Darren nice matches at the  
tournament, I only saw one but it was  
good.

Darren

Thanks, but hey I'm sure you'll have a  
tougher time with Damien.

Alex

I doubt it; he backed out when he  
fought Key. I should be fighting her  
but she resigned. So oh well I guess  
I'll just beat up Colossus now.

Darren

I'd pay to see that.

Alex

Hey after I win you'll need to pay to  
see my next fight, so you're not that  
far from the truth. So is Lita around?

Mary

No she doesn't go out much.

Alex

Oh really, I may know just the guy.

Mary  
Oh?

Alex  
He's a nice person.

Mary  
Is it Javel?

Alex  
No and why does everyone hate him  
anyway?

Darren  
That's a real long story. Lets just say  
he's had his share of bad experiences.

Alex  
All right well lets get inside and see  
what the party is like in there.

[Mary and Darren enter the party  
holding hands as Alex and Rita are just  
talking as they enter; there is a  
Spanish hostess at the door.]

Hostess  
(In a Spanish accent)  
Si?

Mary  
See what?

Hostess  
No comprendo.

Alex  
We must have taken the Spanish entrance  
by accident.

[Alex approaches the hostess and starts  
speaking fluent Spanish, "Hello we need  
a table for my beautiful date and her  
two friends. If you cooperate I may  
help you get out of this job through a  
hefty tip".]

Hostess  
Si Senior.

Mary  
You speak Spanish.  
Alex  
Fluently.

[The hostess walks them to their table;  
the table is three rows from the live  
band playing right now a slow song.]

Muchas Gracias senorita, tu es muy  
bonita...

[^ "Thank you miss, you are very  
beautiful."]

Hostess  
(Blushes)  
Gracias.

[The hostess leaves as Alex and Darren  
both pull out the seat for Rita and  
Mary at the same time.]

Rita  
When did you learn to speak Spanish?

Alex  
(Sits down)  
My dad travels a lot, I used to as well  
with him. So I just picked up different  
languages on my own, as I grew older.

Rita  
Cool.

Mary  
Yeah, well you got to be pretty excited  
too. Being so close to winning it all.

Alex  
The only thing I hate about that is  
that I have to wait until I can finish  
the tournament.

Darren  
So how long have you been into martial  
arts?

Alex

Practically all my life, you see my instructor is a friend of the family and used to baby-sit me.

Mary

So you had a babysitter since you were a little kid?

Alex

No I don't, I have an old man who hits me with a stick whenever he sees fit.

[Darren and Rita laugh at both remarks.]

So Mary...how much do your parents pay YOUR babysitter?

[Darren and Rita laughs a lot more.]

Darren

(Quickly stops)  
That is so not funny.

Rita

Oh yes it is.

Darren

Hey Mary the buffet's open; you want me to get you anything?

Mary

Yeah sure just get me anything you get your hands on.

[Darren goes to the buffet line.]

Rita

Well now I know why you look into corsets.

Mary

Whatever Rita.

Alex

Well I'm going to get something there  
too you want anything?

Rita  
The pasta looks good.

Alex  
Okay.

[Alex leaves; Mary switches seats to be  
right next to Rita.]

Mary  
Oh my god.

Rita  
Who would honestly think he knew so  
much about these things.

Mary  
I'd love it if Darren were a little  
more like that.

Rita  
He's not that bad.

Mary  
Oh well, so what's up with the meeting  
with the "you-know-who".

Rita  
Tomorrow at midnight, meaning tonight  
may be the last night we have. They  
want to...you know "do us in".

Mary  
So we should cherish these moments?

Rita  
Like they were our last.

Mary  
I think these may be our last.

Rita  
If we lose...yes it will be our last.

Mary  
What should we do then?

Rita

Whatever we can to prepare.

[Ms Winn is walking around and sees  
Alex.]

Ms Winn  
Oh hello Xander.

[She pats Alex on the back; Alex looks  
at Ms Winn.]

Alex  
Are you talking to me? It's Alex.

Ms Winn  
C'mon you don't need to lie to make me  
feel better, I know it's you.

Alex  
You must be mistaken.

[Ms Winn walks away.]

INT DAVID'S TEMPLE - NIGHT

[Javel is working on his laptop looking  
at the tape from the first half of the  
tournament.]

Javel  
What am I looking for here?

[Sees Guy punch her and not even  
flinch.]

C'mon that is just impossible!

[Javel pauses it right before guy's  
punch hits Key and Javel goes to get  
something; he comes back with some  
water.]

Okay lets do-  
[Javel drops the water the second he  
sees the screen; he lips the words "oh  
my god".]

That's impossible.

[The screen shows the paused frame on the screen...Guys punches are shown blocked by Key...but her arms were coming OUT OF KEY'S BODY!! Javel sits down in shock as he stares at it; David walks to Javel.]

It's like she's...infinite David. It's like she's not one person at all, she can be as many as she wants.

INT BACK TO THE DANCE - NIGHT

[Everyone is leaving now, Alex just started the car and Rita is already in it as she talks to Darren and Mary who are outside.]

Rita  
Hope you guys had fun.

Darren  
We did.

Mary  
Later.

Alex  
Bye.

[Alex and Rita drive away.]

Rita  
That was the most fun I've had in awhile.

Alex  
Great.

[Five minutes after, Rita rests her head on Alex's shoulder.]

Tired?

Rita  
A little.

Alex  
We're almost home.

Rita

Thanks.

[Alex pulls up at her house]

Alex  
Hey, don't mention it.

[Alex helps Rita out of the car and  
walks her to her doorstep.]

Well hope you had a good time.

[Rita nods and they hug; they soon  
after share a slow yet gentle kiss  
followed by a few more.]

Rita  
Goodnight.

Alex  
Night.

[They kiss one more time and Rita goes  
inside; Alex goes in the car and drives  
away.]

Man, this place this the best.

[The screen shows Rita in the window  
watching Alex leave; she's smiling.]

INT THE TOURNAMENT'S THIRD ROUND - DAY

[Crowds appear in the same place as the  
first two rounds of the tournament; the  
square looks as if it hasn't even been  
touched with exception of a lit torch  
being placed next to each corner as  
Javel checks it out.]

Javel  
HEY ALEX! CHECK THIS OUT!

[Alex walks over to Javel]

Dude, they don't even clean the square  
or anything, isn't that cool?

Alex

Yeah whatever.

[Alex looks as if he's looking around  
for someone.]

Javel  
You nervous?

Alex  
Nope.

[Alex sees Damien and Cherry walking  
around and goes back to where Lita and  
Sara are; Javel does the same.]

Lita  
How you doing Alex?

Alex  
Fine.

Sara  
You ready to lose the bet Javel?

Javel  
Are you still looking for my prize for  
if I win?

Sara  
Not necessary.

[Ms Winn walks to the center of the  
square.]

Ms Winn  
Ladies and Gentlemen...welcome to the  
third round of the tournament!!

[Crowd cheers loudly]

Now the rules have significantly  
changed now. Now how can I describe  
something of this nature? I mean it  
seems so primitive...it will be a four-  
way battle royal!

[Crowd cheers]

Now the two remaining will advance to  
the three way match to be in our Pay-

Per-View extravaganza! They are eliminated the same way that the participants are beaten in the previous matches. Now will the remaining four in the third round step onto the "Torture Square".

[Crowd cheers as Lita, Alex, Damien and Cherry step onto the square; Alex sees Rita sitting next to Mina waving at him so he waves back.]

Damien  
Who that your girlfriend in the crowd?

[Cherry and Damien smile evilly]

Alex  
Maybe it is.

[Lita looks at Damien determined to beat him as well as Cherry.]

Will  
Hello everyone, this seems like the best possible way to choose two finalists.

Kid  
And they couldn't have chosen four undeserving people to be in this tournament. Lita, the emotional favorite who beat "Jasmine" and then beat Samantha Greene in a raging fury due to her friend Rita's minor injury.

Will  
Lets not forget Alex Hawkings, the man who is representing David in this. He beat Viggo Wren who simply was my favorite to win.

Kid  
Now "Damien" is there by luck.

Will  
I agree, he was lucky "Key" let him continue by her forfeiting.

Kid

Yeah but right now I'd say Cherry is the best choice, because unlike Lita there...Cherry beat a guy.

Will

Well this will decide it all right here. Here we go.

[The gong is hit; Alex goes after Damien with numerous right jabs followed with a wide left punch that nails Damien in the jaw.]

Rita

Yeah Alex!

[Lita is being circled by Cherry who is holding a long staff.]

Sara

Relax Lita...just wait for it.

[Cherry lunges the staff at Lita's legs; Lita jumps onto the staff hard breaking it.]

Cherry

YOU BITCH!

[Cherry swings the broken staff at Lita like Jasmine did before; Lita dodges it and counters with a knee to the abdomen.]

[Cherry pulls Lita onto to the floor trying to push her off the edge that they're close to.]

Kid

YES! A catfight!

[Lita is inches from the edge now as she grabs the torch next to the corner to get leverage.]

Cherry

No you don't.

[Cherry takes the torch out of the ground and starts waving it at Lita; Lita quickly backs away.]

Will  
OH MY GOD IS THAT A DISQUALIFICATION!

Kid  
WHY ARE THOSE EVEN THERE!!

Will  
OH MY GOD! IT ISN'T A DISQUALIFICATION  
UNLESS SOMEONE IS ON FIRE?

Javel  
Alex, watch out for Cherry!

[Cherry uses the torch on the back on Alex's shirt; the gong is quickly hit and Cherry leaves as Alex jumps and tries to get off his shirt.]

STOP DROP AND ROLL!

[Rita covers her mouth in shock that Alex is on fire; Mina looks scared.]

Rita  
Somebody help him!

[Damien starts beating up Lita; none of the attacks can be blocked and Damien keeps hitting.]

Sara  
Keep blocking!

[A referee runs onto the square with a fire extinguisher and puts out the fire; Alex's shirt and back has second and third degree burns.]

Referee  
Can you continue?

Alex  
YES!

[Alex slowly gets up and walks to Damien who is easily beating Lita;

she's now bleeding from the nose and  
mouth.]

Damien  
Time I finished you off...pathetic woman.

[Damien goes for a buzz saw kick but is  
interrupted by Alex who tackles Damien  
and grabs one of his legs; Damien is  
desperately trying to get him to let go  
by kicking him numerously.]

Will  
HE'S ALMOST GOT HIM IN THE SAME HOLD HE  
BEAT VIGGO WREN IN!!

[The crowds cheer loudly as Alex gets  
Damien onto his back; Damien manages to  
kick Alex hard in the back making him  
let go due to the burns.]

Lita  
Time I finished YOU off!

[Lita gets the same leg Alex had and  
applies the hold Alex used to beat  
Viggo exactly like Alex does it; Damien  
screams in pain.]

Kid  
YES! LITA HAS IT!

[The crowd chants, "tap out"; Alex  
grabs Damien's other leg and does the  
same hold.]

Alex  
Damien...Cherry got my back.

[Damien grinds his teeth in pain.]

Now...I got yours.

[Alex cranks Damien's spine so he is  
rendered unconscious; Alex lets go and  
Lita falls over as the gong is hit.]

Ms Winn  
Ladies and gentlemen...our finalists!

[The crowd cheers as Colossus gets on  
the square.]

Alex Hawkings!

[The crowd cheers]

Lita Walters!!

[The crowd cheers louder]

"Colossus"!!

[The crowd boos as Colossus smiles  
looking at Lita.]

Now we will take a small break to ready  
our fighters.

[Cherry helps Damien up and they leave;  
Lita and Alex limp over to where they  
always go when they aren't fighting.]

Lita  
How's your back?

Alex  
(Looks uncomfortable)  
How's your face?

Lita  
Damn...

[Rita runs to where Alex is and gives  
him a big hug; Alex looks in more pain  
than ever.]

Rita  
Oh man I thought you were about to die  
out there.

Javel  
He's going to die quicker that way than  
ever out there.

Rita  
What?

Alex  
Back burns.

Rita  
OH! I'm sorry.

[Rita lets go.]

Alex  
It's all right.

Sara  
Wow only one date and she's all over  
you.

Rita  
I was worried okay?

Lita  
So Alex...you want to take down Colossus  
with me?

Alex  
You mean as a team?

Lita  
Yeah.

Alex  
Sure.

[Sara gives Lita some water; Lita  
drinks some and spits the rest out.]

Ready?

Lita  
Lets go.

[Alex and Lita step onto the square  
where Colossus is waiting.]

Colossus  
Even Rita didn't take this long.

[Lita charges after Colossus only to  
get grabbed by the throat by him.]

But I admit it wasn't this easy.

[Alex runs over and jump kicks Colossus  
in the chest; they both back away and  
Lita is let go.]

YOU CRETAN!

[Colossus grabs Alex by the throat with both his hands; Lita just looks on.]

Javel

NO C'MON! HE'S WANTED THIS FOR WAY TOO LONG!!

[Lita looks at Colossus as he picks up Alex with one hand and a torch in the other; she runs over and low blows him as hard as she can; Colossus falls over in pain as Lita takes the torch.]

Will

NO WAIT!! LITA DON'T DO THIS!!

[Lita thrusts the torch into Colossus's eyes; he screams holding them as the gong is hit.]

Sara

NO! WHY?

[Lita leaves the square and Alex pushes the now-blind Colossus off the square; the gong is hit.]

Alex

(Raises his arms in victory)  
YES!

[Lita walks away but Alex stops her]

Hey hold up, Lita why did you do that?

Lita

...Well he seemed like he was going to win easily so I decided if I couldn't win...you could. Especially since you seemed to want it more.

Alex

Why did you blind him?

Lita

He's a girl hitter...this way he'll never hit one again.

Alex  
Okay well...

[Alex runs to Ms Winn and takes the  
microphone from her; David laughs at  
her shocked face.]

WHO WANTS TO SEE ME FACE LITA!  
[Crowd cheers as Lita shakes her head.]

Javel  
Alex you already won it all.

Alex  
Yeah Javel I won but I think THE PEOPLE  
WANT THEIR MONEY'S WORTH!

Sara  
YEAH! GIVE HER A SECOND CHANCE!

Kid  
Why is he doing this?

Will  
Who cares we may get an extra fight.

Ms Winn  
(Takes another microphone)  
Alex...you've already won yet you want to  
have another with Lita who disqualified  
herself by blinding Colossus.

Alex  
She wouldn't be doing that if Rita  
weren't ever placed against that big  
lummoX. So hey...the people want more  
anyway.

Ms Winn  
Ill let David decide, this tournament  
is dedicated to him anyway.

David  
Lita did what she had to, but she made  
the sacrifice knowing the consequence.  
So give them an exhibition, a training  
match.

Alex

Thanks.

[Lita looks at Alex strangely as she gets on the square; Alex does the same.]

Lita  
Why are you doing this?

Alex  
You said I deserve to win, I think you  
deserve a chance to make a name. So  
come on lets go.

Will  
In an act of sportsmanship, Alex isn't  
letting Lita leave empty-handed. These  
two are definitely deserving of this.

Kid  
I think Lita's still got a chance.

Will  
Well let's see if that chance is used  
right.

[The gong is hit]

HERE WE GO!!

[Lita comes in with a fake jab and  
backs away as Alex does the same; they  
circle each other looking in each  
other's eyes.]

Kid  
You can feel it man...YOU CAN FEEL IT!!

Sara  
C'mon!

Javel  
Watch her legs!

[Alex goes for spinning leg sweep that  
Lita hops over; they both go for a jump  
kick that was both blocked as well;  
Lita gets in a few punches followed by  
a snap mare takedown and starts  
stomping on him.]

Sara

THE BACK!

[Lita kicks Alex hard in the back making him scream in pain; Lita backs away as he gets up slowly.]

Alex

(Breathes deeply)

Nicely done.

[Alex charges toward her; Lita looks ready.]

Javel

NO DON'T DO THAT!

[Lita goes for a kick but Alex falls before that on his back throwing his leg in the air catching her hip and slamming her to the ground on her back; Lita looks in pain and shock.]

...Whoa.

[Lita slowly gets up; so does Alex.]

Lita

You had me.

Alex

No, you had me open for a leg lock. Zeus definitely taught you well but he obviously never finished the job. You would have been much better than me if he were still alive.

Lita

(Looks mad)

...I am that good.

Alex

Prove it then.

[Lita throws numerous knife hand blows mixed with jabs and punches; Alex counters with a roundhouse kick that Lita catches and tosses Alex on his back; Lita rolls Alex on his stomach and wraps her legs around the leg she

had before and applies an ankle lock submission.]

Will

It's an ankle lock! Lita's got him!

[Crowd chants "Tap Out"; Lita is cranking on Alex's ankle as Alex is trying to get Lita to let go by kicking her with the free leg.]

Lita

C'mon it over!

Alex

It's never-

Lita

(Yells at the top of her lungs)  
JUST TAP OUT!!!!

[Lita cranks hard on Alex's ankle and he taps out; she holds the ankle lock for a few more seconds still yelling until the gong is hit.]

Ms Winn

THE WINNER IS LITA!!

[The crowd cheers as Lita gets up; she looks as if she's incredibly happy.]

Sara

(Runs to Lita)

IN YOUR FACE JAVEL!

Javel

(Watches Sara run)

...Why Alex?

[Alex slowly gets up in a limping fashion; Ms Winn gets on the square holding a piece of paper and three trophies.]

Ms Winn

Ladies and Gentlemen...the winner of the match is Lita! However it wasn't a

tournament match so the winner is still  
Alex so here is your trophy and  
certificate.

[Alex is handed a trophy and the piece  
of paper Ms Winn had.]

And to Lita, who definitely has more  
heart and pride than anyone on this  
tournament...I give you the most valuable  
fighter, or M. V. F., award.

[Crowd cheers as Lita gets the trophy.]

You should all be very proud, and Alex  
I will see you very soon. Good night  
everyone!

[Ms Winn leaves; the crowds do too.]

### **Screen Fades**

#### INT STILL AT THE TOURNAMENT SITE - NIGHT

[The square has been removed, the  
bleachers have been moved away from the  
area, the only thing left that proves  
it was there were impressions on the  
ground and some pieces of the square  
here and there; Alex, Rita, Javel, Sara  
and Lita are just sitting there; Lita  
and Alex are talking about martial arts  
wearing various bandages and medical  
supplies; Rita is talking to Sara.]

Javel

Hey Sara...so you know, you lost the bet.

Sara

Correction Javel, Lita won against Alex  
and everyone saw it.

[Javel takes out a voice recorder and  
rewinds.]

Javel

Just a second and I'll have it right  
there.

[Javel stops it and plays it; it's Javel saying, "If Lita loses, Sara will date me"; Javel stops.]

Sara  
Oh come on, you could have said that at anytime. Plus, Alex was the one who lost.

Javel  
Well Lita lost too.

Sara  
Then I guess it's a draw.

Javel  
...Yeah I guess so.

Sara  
So you and I are going on a date where I can tell you what to do no matter what.

Javel  
Really?

Sara  
Yeah...now stand on your head until I'm done talking to Rita.

[Sara watches as Javel tries standing on his head; he fails every time and just makes Rita and Sara laugh watching it.]

Rita  
That is so cool, you get to tell a guy what to do.

Sara  
I love it already. Come on you can do it...mind the rocks.

Javel  
(Falls on a rock)  
GODDAMN THAT HURTS LIKE A MOTHER!

Alex  
Try doing that with burns on your back.

Lita  
Or while fighting against a guy and  
being a girl.

Javel  
Honestly I wouldn't mind being a girl;  
sometimes I think you people have all  
the fun.

Sara  
Hey Rita...are you thinking what I'm  
thinking?

[They smile]

Rita  
Hey Javel...come over here.

Sara  
Do as she says slave.

[Javel does so and he leave with the  
two girls.]

Alex  
Good match Lita

Lita  
Thanks...you too.

Alex  
Thanks...man I hope they don't mess up  
Javel too much I still need him to do  
something later.

Lita  
Oh? What is it?  
Alex  
Just to give something to a friend I  
haven't seen in sometime.

Lita  
Cool well I better get going, see you  
later.

Alex  
Bye.

[Lita leaves in her car; Alex just  
looks at the stars.]

Alex  
I'm coming home...I'll see you soon  
Justin.

[Alex walks over to his car smiling.]

INT MINA AND LITA'S APARTMENT - NIGHT

[Lita enters the apartment where Rita,  
Mina and Sara are putting makeup on  
Javel who is tied up.]

Mina  
Javel, you are looking fabulous.

Sara  
More eyeliner.

Lita  
What are you doing?

Rita  
Javel said he wanted to know what being  
a girl is like so we figured.

Javel  
This is degrading!

Rita  
Hey we put up with it fine.

Lita  
Okay well when we going to meet with  
the others?

Mina  
Half past Eleven.

Lita  
Cool.

Javel  
HEY!!

Sara  
Relax...

Mina  
Hey what about clothes?

Rita  
He's not wearing any of mine.

Javel  
Oh why do you hate me?

[Sara pokes his eye.]

Ouch!

Sara  
Why do we hate you? LOOK AT YOU! You are a drug addict with no respect for anyone, you're a goon and I don't think David Skyhawk helped you much at all.

Javel  
HEY LOOK HER YOU SMART BITCH! I'M NOT A DRUG ADDICT MY PARENTS WERE UNTIL THEY OVERDOSED WHEN I WAS I WAS A BABY!!  
Uncaring? My buddy Alex doesn't think so; he hangs around with me almost all the time. Sure yes I'm a goon or whatever you called me but that's because you are all mean to me. Now look I'm at a high ten on my "pissed off meter".

Mina  
...Why don't you just be nice to everyone then?

Javel  
Lita isn't nice to everyone and look at her. She has you all for friends, and me to pick on...as usual. I'm no better than any of you...why don't I get anything for it?

Sara  
...Untie him, now I feel bad. Mind if I ask just one little question Javel before we let you go outside?

Javel  
Sure.

Sara  
Why do you always compete with me?

Javel  
It's always rewarding to compete  
against the best.

[Gets untied]

I'm out of here, some date this turned  
out to be.

[Takes a wet washcloth from a nearby  
sink and wipes the makeup off his face.]

Later.

[Javel leaves; it's raining as he walks  
down the street.]

INT OUTSIDE - NIGHT

Javel  
Perfect weather

[Javel is walking down the street  
getting soaked; Sara runs to him  
holding an umbrella.]

Sara  
You may need this.

Javel  
Why do you care? I'm just a goon with a  
drug problem.

Sara  
Also I wanted to say that...I'm a nerd  
with glasses.

Javel  
You bet you are.

Sara  
Sorry for being so mean to you.

Javel  
I don't need an apology I am what I am.

Sara

Javel stop it!

Javel  
Why? Why should I stop huh? NOBODY ELSE  
WILL!! WHY SHOULD I!!

[Javel storms away angrily with Sara  
watching; she looks like she feels  
guilty.]

Sara  
...I'm sorry.

[She walks inside the apartment.]

INT ZEUS'S DOJO - NIGHT

[Mary is putting on the ninja suit; she  
has everything but the mask on.]

Darren  
(Already wearing his)  
Looks good.

Mary  
Thanks. I wish we could have prepared  
more.

Darren  
I know.

[Sara and Mina enter, soon so does Rita  
and Lita.]

Mina  
Hey guys...those ours?

Sara  
We're going to die tonight. I just know  
it.

Lita  
Relax.

Sara  
Think about it Lita, only like half of  
us can defend ourselves. All I have is  
a freezing ability and Lita has an

ability that can kill her by simply using it. Not to mention we're on their terrain and I don't even want to begin with what they're capable of.

[Rita looks down thinking about what Sara said and then makes a facial expression like something isn't right; she looks at her hand and there are flames on her FINGERTIPS.]

Rita  
Whoa...look at this.

Lita  
Zeus did say you had fire ability but what is it...candles for your fingers?

[Rita shrugs and blows the flames; the flames shoot out like a small flamethrower; Rita and everyone else look at what happened in shock.]

Rita  
Well that's different.

INT THE PARK SHOWDOWN - NIGHT

[The six "Guardian Forces" walk inside the park all in the ninja wear seen in Zeus's Dojo; There are Possessed Ones everywhere just watching them behind trees and bushes.]

Mina  
Haven't these people heard of stalkers?

Sara  
Well they have no eyes so really they don't know if they're stalking you.

Darren  
Lets just do this.

[Screen goes to Damien on top of a statue; the others are leaning against it checking their weapons.]

Damien  
They're here...

[The "Great Divas" all see the "Guardian Forces" walk towards them and stop; Damien is smiling at this.]

Glad you could make it. I'm sure you would hate it if you missed the meeting where we finally kill you all. Nice suits...at least now we don't need to look at your corpses. So-

[Key walks to where Damien is; she looks at Damien and the "Guardian Forces".]

What are you doing here?

Key

Here to kill the "Guardian Forces". Colossus couldn't make it; sadly I had to kill him. A blind man has no use to me in any way, shape or form. Now these are the "Guardian Forces". Glad to meet you all, I'm Key and now I shall kill you since these half-wits can't.

Jasmine

Stay out of this or-

[A copy of Key comes directly out of Key and gets nose-to-nose with Jasmine; Jasmine and everyone else is in shock.]

Key Copy  
Or what?

Key

Jasmine, meet me...me meet Jasmine.

Key Copy  
Pleasure to meet you.

Darren

We're in deep trouble.

Key

Key...I know we just met but could you kill the "Guardian Forces" while I'll take care of the morons.

Key Copy  
Sure.

[Key runs towards the "Guardian Forces" who are running away; Key makes three more copies that are looking at the "Great Divas".]

Key  
Like I said Damien, I get to kill you now. Get them!

[Jasmine takes out her samari sword and quickly beheads Key's Second Copy, making it turn to dust; Blaze cuts Key's Third Copy with her Sais but doesn't kill her.]

Key  
(Sits down)  
Attack, Damien I'm fully infinite here so please just get through these three.

[Blaze throws her Sais towards Key's Third Copy only for them to be caught and thrown back at her; Blaze is hit in the thigh and stomach.]

Cherry  
BLAZE!

[Cherry lunges her spear at Key's Fourth copy only to hit air; the Copies all take out swords of their own.]

Key  
One down three to go Damien, I think I'll enjoy taking over your job.

Damien  
(Looks at Blaze and back at Key)  
You'll pay!

[Jasmine is in a swordfight with Key's Third Copy; Key's Fourth Copy Breaks Cherry's spear with the sword.]

Key

Well Damien you lost a troop member so easily that I'm thinking maybe I should keep you alive just for laughs.

[All of a sudden, Key's Fourth Copy turns to dust and a figure chops off the third Copy's arm; it's Alex as "One".]

What the? A "NUMBERED SOLDIER"!

Damien

Yes I got him here as a lure so he could do what his people came to do.

[Alex slashes through the Third Copy's abdomen; the Third Copy falls in two pieces and turns to dust.]

Wait "One"...we have a gift for you.

Alex

I don't want anything from you.

Damien

Oh I'm sure it's something you want very badly.

[Damien points to where the "Guardian Forces" ran off; Alex walks cautiously down that path.]

Alex

I don't see anything.

Key

Nice work getting a "Numbered Soldier" to go do your bidding.

Damien

Your people made a pact right?

Alex

Yes...

Damien

I have a deal for you...we would like to make a truce with you.

[Alex looks at Blaze as Cherry is looking at her wounds; Alex looks back at Damien]

Alex  
Unless you want Blaze's little incident to happen again, I suggest you not even think about saying "truce".

[A blast of fire is seen through a bush; Key's Second Copy is running to Key on fire and soon turns to dust.]

Alex  
What the?

Damien  
The "Guardian Forces" have arrived...have fun.

[Alex throws an energy ball at Damien; it hits him, making him fall onto his back; Alex teleports right next to him and puts his saber on his throat.]

Key  
Impressive.

[Jasmine aims her sword at Alex.]

You can go now...shoo.

[Alex looks at Key strangely.]

I'm going to kill these people myself... you can kill the "Guardian Forces". GO!

Alex  
I don't take orders from anyone, especially if they're on Bain's side.

Key  
True but why kill a troop member that can be replaced. Oh forget it, they just got away...

[Key points to a hill where the screen shows them running away; all are alive.]

We both have a certain goal here "One",  
"kill the Guardian Forces". So lets do  
it together, why not?

Alex

Who said I want to kill them first?  
Maybe I want to kill all of you.

[Alex looks at the "Great Divas" and  
back at Key; Alex is shocked when he  
sees over a hundred Keys now looking  
directly at him.]

Key

I'm my own military "One"...I'm a sole  
unit who is literally infinite. Now go.

[Alex teleports away; Key makes all the  
copies disappear.]

Goodnight Damien, I've done more than  
my part today.

[Key gets up and leaves; Cherry shakes  
her head as she looks at Blaze's now-  
dead body.]

Damien

A war isn't coming. A war is all ready  
here.

[The "Great Divas" leave without Blaze.]

Zeus (Narrating)

The people of the world do not  
understand what war means. They believe  
that war is simply a battle where lives  
are lost so that someone will stop  
doing something else onto others. But  
war is really where even enemies have  
enemies have their own who are on their  
own side. War is where evil enters the  
good and only through propaganda, will  
it seem as if it is for good. Nobody is  
safe from evil...we are evil by birth. We  
only choose to be good, yet we are  
still evil due to what we do. No matter  
how we put it, sadly we always show our  
evil side in one way or another. So

understand...it isn't good or evil that  
is the problem, it's the choices we  
make.

FADE OUT
