**By Thomas Lee Brown**

FADE IN:

INT. INSIDE FACTORY – DAY

[Jasmine is on the second floor sitting down and organizing small pouches onto a long white table and writing things on a notepad; Damian walks up the stairs and walks to her; Jasmine seems focused on her work.]

DAMIAN  
(Being serious)  
Are they ready?

JASMINE  
(Nods and looks over at Damian)  
Yes, I ordered them as you suggested.

[Damian looks at each of the bags; there are five bags in all; each in different colors: blue, red, yellow, black and green; Damian looks inside the black one to find seeds.]

DAMIAN  
(Looks at Jasmine)  
Lets test them.

[Damien looks over at the doorway he just walked through; Goode from the last episode enters the room; he has no eyes.]

It is so incredible how easily you can get your way when you have the ability to.

[Damian looks at Goode smiling as Jasmine gets out of the chair.]

Sit in the chair Officer Goode.

[Goode does so obediently; Damian takes a black seed and places it inside a beaker; he then mixes it with a water-like substance that makes it dissolve, making it into a black substance.]

Jasmine if you may.

[Jasmine nods and takes out a syringe and fills it with the substance; she then slowly injects Goode in the back (Lower spinal region); Goode is completely motionless as this is being done.]

This is good...things are beginning to go to plan.

JASMINE

(Nods understanding)

Should I get the others as well?

DAMIAN

(Smiles)

No, lets use this one to draw out some... attention.

[Jasmine nods understandingly as Goode appears to be going into a seizure; he falls to the ground making no sound as Damien watches, obviously enjoying this.]

JASMINE

(Waits a beat watching the officer.)

His body is accepting the change.

Transformation should take place in mere seconds.

[Soon enough, Goode starts shaking and there are sounds of bones breaking in his body; screen moves to Goode's shadow, his body seems to be mutating into a large monster; Damian and Jasmine can be seen watching it and they seem satisfied with what is happening; Damian walks to the creature

formerly named Goode; Goode has become a hybrid of a man and bull (Minotaur); he seems to still be changing as his skin is throbbing with new muscles and appears to be growing in height.]

DAMIEN

(Looks into Goode's eyes as they begin dilating uncontrollably until Goode's eyes are completely black)

My Minotaur...you belong to us now. Until death sets you free.

[Screen fades out]

INT. PATH TOWARDS THE SCHOOL – DAY

[Orion and Lita are walking towards school like in the end of Episode Three; they both appear to be speechless due to the death of Orion's friend, Draco.]

LITA

(In deep thought while walking)

So who would be the best person to find first?

ORION

(Also in deep thought)

Sadly I'm not too sure of that. Even though, all six of you have traits that can be used to your advantage. Sad to say, you were the only one I could identify as a Guardian Force.

LITA

But since we were resurrected, we should look the same.

ORION

Yes, but with different concepts of fashion. They do look different, or they could be in different parts of the world for all I know.

LITA

(Shocked and stops to look at Orion)  
You never took the time to keep track of us?  
Did you expect us all to just wake up one  
morning on your doorstep when this hit the  
fan?

ORION

(Sounding somewhat disgusted)  
Well with you people and your *laws*, I could  
have been considered a...stalker or something  
if I kept my eyes on five young girls and a  
little boy while they grew up.

[Lita nods and they keep going.]

LITA

So how do I get them to believe me if I find  
them?

ORION

These people have a piece of jewelry that  
they were all given to them once reborn. The  
boy, Prince Kain, had a medallion and the five  
girls had rings. I believe you still have your  
ring.

[Lita looks at a ring on her left hand; it is a  
gold ring with jade jewels all around.]

Yes, that's it and the others have similar  
rings.

LITA

(Shakes her head staring at her ring and back  
to Orion)

I don't think a ring is going to exactly help  
them remember being killed on a  
mythological world. You get what I'm trying  
to tell you? We need something to really help  
to get them to remember. Did you ever do  
anything to them that could help?

[Orion stops and thinks about it.]

INT. A FLASHBACK OF 1987 GREEN-LEAF,  
NEW HAMPSHIRE – NIGHT

[Orion and Draco are in the woods staring at six newborn babies; Orion is looking at each to see that each has a ring on a chain around their necks except for the boy who has a medallion around his; a flash of light brings the flashback to minutes later where Draco and Orion are talking.]

DRACO

We're not going to keep an eye on them?

ORION

We will help them through their dreams...

INT. PATH TOWARDS THE SCHOOL – DAY

[Orion opens his eyes and is looking at Lita who seems to be waiting for an answer.]

ORION

(Looks as if he figured it out)  
Their dreams...

LITA

(Confused)  
Dreams?

ORION

I made them have dreams of their lives on Namos. I also recall something else.

LITA

(Looking to Orion very attentively)  
What is it? I need all the help I can get here.

ORION

The dreams all said that they should be ready  
for something. Do you remember anything  
like that?

LITA  
(Shakes her head)  
No...not at all.

ORION  
(Waits a beat)  
How about this? After school come to my  
cabin and we can talk more about this. I need  
to find a few things.

LITA  
(Looking unhappy about that plan)  
All right...

[Lita walks towards the school.]

ORION  
(Yells in the distance while walking to his  
cabin)  
Keep your eyes open for them.

[Lita walks away not answering; screen fades  
to the parking lot.]

INT. SCHOOL PARKING LOT – DAY

[Alex and Javel are in the car talking; the  
windows are shut and the engine is off.]

ALEX  
(Takes a deep breath)  
So how long have you known?

JAVEL  
(Shrugs)  
I don't know...since I was hired I guess, about  
a year.

ALEX  
(Shakes his head)  
So much he didn't tell me.

JAVEL  
Alex, if you knew you would of told Adrian  
and you know what he would do afterwards.

ALEX  
(Nods knowing the answer)  
Expose us.

JAVEL  
Exactly, David went through tons of ways to  
make sure the Numbered Soldiers were never  
even thought of existing. If we were exposed  
in David's time, he'd be burned as a witch.  
Adrian's time...well when AIDS was  
discovered the first infected was put in a  
huge bubble-like thing; think of what would  
happen to him. Think of what would happen  
to you at this time. You could be thought as a  
terrorist or some crap.

ALEX  
I'm not a terrorist.

JAVEL  
(Sounding smart-alecky)  
You're capable of being a damn terrorist, look  
at you. You can teleport, making most alarm  
systems useless. You can blow whatever you  
want to hell, you do the math.

ALEX  
(Stares at Javel and sits back realizing it)  
...Damn.

JAVEL  
(Unlocks the doors)  
Come on...lets get you in school.

[Seth sees Alex and Javel get out of the car  
and hides behind Ronny who is trying to look

at him wondering why he's hiding; Alex and Javel go inside.]

INT. SCHOOL LOCKER ROOMS - DAY

[Lita is at her locker and is all set with her books; she is just staring at her ring in her palm; she seems confused.]

LITA (THINKING)  
(Confused)

How could something so small help me with something like this?

[Lita shakes her head, shuts the locker door and puts her ring back on as she walks to class; the bell rings.]

INT. THE PRINCIPAL'S OFFICE - DAY

[Alex and Javel are waiting in the Principal's office; the office has a blue carpet, a big wooden desk with files, books and awards everywhere; the Principal walks in and looks at the two.]

PRINCIPAL  
(Looking very serious)  
Good day.

ALEX & JAVEL  
(At the same time)  
Good day sir.

[The Principal sits at his desk and stares at the two; he seems to be a very judgmental person as he practically dissects Alex with his eyes.]

PRINCIPAL

You two know why exactly you are here?

ALEX  
My enrollment?

PRINCIPAL  
(Shakes his head)  
Try again Hawkings.

ALEX  
(Takes a deep breath while making eye  
contact with the Principal)  
...Seth?

PRINCIPAL  
If you want to be enrolled in my school, you  
have to obey the rules. You're now a student  
here, which means I can punish you.

[Alex nods understanding; the Principal gets  
up with his hands behind his back; he seems  
reminiscent of a drill sergeant.]

However, it seems Seth was about to deal  
some serious pain to Javel over here and due  
to that I am willing to let this slide...of course  
knowing that it will not happen again.

ALEX  
(Nods)  
Yes sir.

PRINCIPAL  
(Takes a deep breath and sits back down)  
Now Javel...I'm sure you understand why  
exactly you're here.

JAVEL  
Yes.

PRINCIPAL  
Well rest assured we are talking to Ronny and  
Seth about the issue.

JAVEL  
(Looks at the Principal not caring)  
Doesn't matter.

[Javel leaves and after shaking hands with the Principal, so does Alex; the Principal watches as Alex shuts the door and then looks down shaking his head.]

PRINCIPAL  
(Sighs)  
Damn Javel, deserves much better.

#### INT. CHEMISTRY CLASS – DAY

[A male Asian teacher about twenty years of age (Mr. Kin) is in front of a class of about twenty students; he's wearing a light blue button-down long-sleeve shirt, khakis, and dark brown loafers; in the classroom there are no desks, instead there is just a bunch of round tables each for four students along with a set of eight outlets on each for power; the walls are tan and the floors are made of white linoleum; against one of the walls there are shelves full of Microscopes, Bunsen Burners, Goggles, etc.]

MR. KIN  
(Looking glad to be there)  
Good morning class, I hope everyone brought their books. You will be doing a lab, decide on your partners now. Oh yes and we have a new student, Mr...

[Alex and Javel enter the room in a rush; the teacher looks at Alex and Javel (Mainly Javel) shaking his head.]

JAVEL  
(Hastily)

Mr. Kin sir...I was just finishing giving the new student here the tour of our...fine establishment.

ALEX

(Hastily)

Umm...yes and thank you Javel for that.

MR. KIN

Get to your seats gentlemen. As I said we have a new student who has finally graced us with his appearance. Mr. Alex Hawkings, glad you made it I thought I was about to introduce the class to the invisible man or something.

[The class laughs a little; Mary, Lita and Sara are seen in the classroom; Alex and Javel sit down in the front of the class.]

So where are you from Alex?

ALEX

(Thinking)

Oh...all around really. My...parents traveled a lot and eventually they decided to send me to live with my grandfather here.

MR. KIN

(Nodding)

Oh yes, you're the grandson of David Hawkings. So what's it like knowing you're his grandson.

ALEX

(Shrugs thinking about it)

It's all right.

MR. KIN

Just all right?

[Lita notices that Alex is wearing a medallion; she stares at it absent-mindedly; Mr. Kin shrugs and goes to the black board.]

Find your partners. If you don't already know,  
the date is September 28<sup>th</sup> 2003.

[The students get up and walk around; pairs  
are soon made easily; Lita walks towards  
Alex but Mary bumps into her.]

You have over an hour to do this lab so if it  
isn't done that will be homework.

MARY  
(Recognizing Lita)  
I'm sorry.

LITA  
(Not caring)  
It's fine...

MARY  
(Realizes who Lita is)  
Lita, am I right?

[Lita sees Alex is teamed with Javel and looks  
at Mary.]

LITA  
(Waits a beat and takes a deep breath)  
Guilty.

MARY  
(Looking guilty)  
Oh man, I'm feeling really sorry for Draco.  
Are you two related?

LITA  
Sort of, he and Orion kind of took me in when  
my parents left me.

MARY  
Oh...

[Lita sits down and Mary does too alongside  
her making them partners; Sara is seen

teamed up with a thin blonde girl about Mary's age (Trisha); she's wearing a red buttoned blouse, a black skirt and black shoes; screen goes back to Lita and Mary who are obviously now partners.]

MARY

(Opening her book)

Where did they go? Vacation?

LITA

(Opens her book)

You could say that...they're dead.

MARY

(Gasps; obviously taken off guard)

Oh my god! I'm so sorry! How could I...

LITA

(Interrupting)

Just leave me alone about it. If you haven't noticed, death has entered my life so often it's practically in my blood.

[Mary leaves her alone as instructed and just starts working on the lab; Mary sees Lita's ring.]

MARY

(Carefully to not bother her)

We're...twins.

LITA

(Confused as she looks at Mary; she obviously doesn't want to talk to her now due to the parents remark)

What?

MARY

(Staring at Lita's ring)

Your ring, I have almost the same kind.

[Mary shows Lita a ring on her left hand; it is just like Lita's only the jewels are white, not green.]

LITA  
(Surprised looking at the ring)  
That's...very interesting.

[Lita touches the ring; her ring and Mary's touch; suddenly in a flash of light, Lita is back at the time and place Quetzocotl died in Prologue.]

INT. LITA'S FLASHBACK TO NAMOS BEFORE  
QUETZOCOTL DIED - NIGHT

[Lita is on her back looking up at the clouds; she can see Fort Victor preparing for war; a soldier in full armor thrusts a sword into her chest; her eyes bulge and her jaw drops.]

SOLDIER  
(Looking into her face under the helmet)  
Die like a man.

[As she laid there, she head Orion yelling "No"; she closes her eyes; screen goes to Mary's flashback, which is of Gabriella's death.]

INT. MARY'S FLASHBACK TO NAMOS BEFORE  
GABRIELLA DIED - NIGHT

[Mary is on top of the same building Gabriella, and both Kain's were on when Bain killed both; Phoenix walks up there.]

PHOENIX  
You should save him Gabriella...better than watching him die.

[Gabriella/Mary is then hit in the chest with a thrown knife by Bain and falls off the rooftop; Mary closes her eyes as she falls; as Mary's body hits the ground she hears a loud noise and both she and Lita wake back up into reality (The classroom).]

INT. CHEMISTRY CLASS – DAY

[Lita and Mary open their eyes as if startled and then look at each other.]

MARY  
(Taken back)  
Whoa...

LITA  
(Taken back too)  
...Yeah...

[The telephone rings; Mr. Kin goes to answer it.]

MR. KIN  
(Answering the phone)  
Hello? Yes...

[Mr. Kin looks all of a sudden concerned.]

Are you sure about this?

[Students start looking at Mr. Kin since he's becoming frightened more and more by the second.]

Thank you very much.

[He hangs up.]

Students please get in an orderly line; we're going to orderly evacuate the school.

SARA  
What's going on?

MR. KIN  
Bomb threat. Come on...we only have three  
minutes.

[Students starts panicking as they storm out  
of their seats and to the door; they can't get  
it open.]

OH MY GOD! WE'RE DONE FOR!!

[Javel and Alex are staying in their seats; Lita  
looks scared and Mary is screaming and  
panicking everywhere; smoke starts coming  
out of the door; in seconds a loud banging  
sound is heard near the classroom.]

LITA  
(Quivering and in a frightened trance)  
Oh no...

[Mr. Kin finally gets the door open to show  
the class it's a smoke machine and a tape  
recorder playing the banging sound on  
repeat.]

MR. KIN  
(Smiling)  
Sorry I couldn't resist.

[Lita looks angry while many others are  
laughing it up; Alex and Javel look relieved.]

LITA  
That little...

MR. KIN  
(Interrupting Lita; still laughing)  
Oh Miss Walters before you finish that  
sentence, I am the new Drama Club Director.

If anyone is interested just see me after class  
is over.

[Javel is shaking his head while Alex is  
reading the book.]

ALEX  
(Looks over at Javel)  
Do you get any of this?

JAVEL  
(Looks at his book)  
Oh this is easy.

[Javel is helping him with the lab; Lita is back  
with Mary.]

LITA  
(Writing; trying to get over the joke Mr. Kin  
played)  
So where did you get that ring?

MARY  
My mom said it was a family heirloom.

LITA (IN HER THOUGHTS)  
You have no idea.

[Screen switches to outside of the factory.]

EXT. OUTSIDE THE FACTORY – DAY

[The factory is seen looking as if nothing ever  
happened; all of a sudden one of the cop cars  
is tossed thirty or forty feet in the air and  
landed into the forest.]

DAMIAN (OFF-SCREEN)  
GO!

[A Minotaur is seen running through the  
gates; it looks like in "Prologue" only this

Minotaur is about twenty feet tall; it stops to  
roar and runs towards the town.]

EXT. ORION'S CABIN – DAY

[Orion is looking through all his books; he  
seems in a hurry.]

ORION  
(Frustrated)

Come on Draco where did you put it?

[Orion runs to the furniture and feels under it  
looking for something.]

Where you put your log Draco?

[Orion tips over the kitchen table looking  
hastily; the table doesn't break; screen  
switches back to the classroom.]

EXT. CHEMISTRY CLASS – DAY

[The bell rings; everyone leaves the  
classroom leaving Mr. Kin alone.]

MR. KIN  
(Sighs)  
Oh well.

[He packs his bag and leaves the room;  
inside the window the Minotaur is seen  
running right past the school at a great  
speed; Mr. Kin looks out the window as if he  
heard something but after a few seconds he  
just shrugged and walked away.]

INT. LUNCH ROOM – DAY

[Everyone is in there getting their lunches;  
Alex is still in line as Javel sits at a table;  
Ronny walks over to him and takes Javel's  
lunch from him.]

JAVEL  
(Looking at Ronny)  
I was going to eat that.

[Ronny pours the whole lunch on the floor  
while looking Javel in the face.]

RONNY  
(Walking away)  
Now you can eat it.

[Ronny is gone and Alex sits next to Javel.]

ALEX  
(Ready to eat)  
Hey man...where's your lunch?

JAVEL  
(Shakes his head and takes out a book)  
Doesn't matter.

ALEX  
(Shocked)  
No way...someone picked on you again?  
Where is he?

JAVEL  
Look it's no big deal.

ALEX  
Making it not a big deal makes it a very big  
deal. Now where is he?

[Ronny walks over and tosses Alex's lunch to  
the ground and looks at him while leaning on  
the table.]

RONNY

(Trying to look threatening)  
Been looking for me?

ALEX  
(Angrily)  
Oh my god, Javel you're getting picked on by  
pigs too? I thought it was just humans.

[Alex starts to get up but Ronny puts his  
hand on Alex's shoulder and forces him back  
on his seat.]

RONNY  
(Gets right up in Alex's face)  
You listen to me...boy...I'm the big man here.  
You got that?

ALEX  
(Looks disgusted)  
First of all...you need a tic-tac.

[Some students look at the two shocked he  
said that; Alex then grabs Ronny's hand off of  
his shoulder and twist the wrist into a nerve  
lock.]

Second of all you are not the big man...you're  
just really fat.

[Alex gets up and pulls Ronny's wrist hard;  
Ronny has no choice due to the nerve lock  
but to go with Alex and falls on top of the  
table and is slid off it to fall onto the seats on  
the side; Ronny is hit in the knee and chest  
by two stools.]

And finally...I don't EVER want to see you  
bullying ANYONE again.

[A lot of the students are watching Alex's  
"display of authority" as well as the principal;  
Alex finally lets go.]

RONNY

(Looking mad)  
Screw you...newbie.

[Ronny leans in to punch Alex with a wide right hook; Alex counters with a hard spinning back sidekick to Ronny's knee; Ronny's knee bends sideways and his body goes down with it as he falls over in pain; students gasp at this and the principal runs over to both Ronny and Alex; Ronny is yelling in pain while holding his knee.]

PRINCIPAL  
(To Alex)  
We need to talk.  
(Yells out loud)  
We need a nurse to help this student here.

ALEX  
Oh I see so this kid can bully anyone he wants. BUT when he gets what's coming to him it's a big ordeal.

PRINCIPAL  
Ronny never fought Javel on school property.

ALEX  
(Angrily)  
It was Seth AND Ronny and it was in the parking lot, the SCHOOL parking lot.

[Alex and the Principal argue as they leave the lunchroom; Javel backs away from Ronny; Lita leaves the lunch line.]

JAVEL  
(With fake attitude)  
That's right people, you can't mess with me no more.

[He sees Lita walk by.]

Oh hey Lita what's up? You're looking...

[Lita shoves Javel away, making him trip on a stool; he lands on his back and just stays there.]

...Fair enough.

INT. THE FACTORY – DAY

[Damian, Blaze, Crimson and Jasmine are in the lobby having a discussion.]

DAMIAN

So what is the report Jasmine?

JASMINE

The main issue we have right now is that we need more people possessed.

DAMIAN

I agree.

CRIMSON

What do we do?

JASMINE

Well we should find a grouping of many people and possess them all.

DAMIAN

Jasmine?

JASMINE

Yes?

DAMIAN

Don't you think the one's not possessed will realize that they're getting possessed one-by-one. To be honest, the reason we easily got those officers was because we outnumbered them. We should find ways to...privately possess them.

BLAZE  
Like sneak up on them?

DAMIAN  
(Hastily)  
No...too risky.

CRIMSON  
It wouldn't be enough to make a decent  
impact if we just sneak up on random people.  
They may not even be that useful.

DAMIAN  
Exactly my point Crimson. We need to be  
careful whom we possess as well. Numbers  
are a factor, but quality can be just as  
important. We don't want our slaves *slapping*  
them to death, do we?

[The other the laugh a little, showing some  
humanity.]

BLAZE  
(Smiles evilly)  
I know where to find plenty of experienced  
fighters.

CRIMSON  
(Intrigued)  
Where?

BLAZE  
The same place I found Draco.

DAMIAN  
Is this also the same place you discovered  
Quetzocotl?

BLAZE  
(Slightly nods)  
Yes sir.

DAMIAN

All right...Blaze, you and I will go there and see. Crimson, you and Jasmine keep an eye on everything here. Do we have any news about the Minotaur?

JASMINE  
Nothing yet...

DAMIAN  
Well then keep aware for any news. Come on Blaze, we have work to do.

[Blaze and Damian go to the boxes to get ready to go.]

INT. PARKING LOT – DAY

[The sky is becoming dark as Lita starts walking away from the school; she seems in a hurry; Alex and Javel are leaving the school and entering the car.]

JAVEL  
I can't believe that he suspended you on your first day.

ALEX  
Well I still don't understand why a guy like that even has the job of Principal.

[Alex and Javel drive away; Lita is walking towards the path to Orion's cabin in the woods as it begins to rain.]

LITA (TO HERSELF)  
(Notices the rain slowly beginning to pour)  
Perfect...a friend dies and my past life is with a total airhead. How could my life be any worse?

[Thunder strikes and the rain starts to pour;  
Lita is getting all wet and doesn't seem to  
care.]

There we go.

[Lita stops as she hears something walking in  
the woods; it sounds very big; she starts  
walking towards the sound carefully but soon  
hears the same loud roar the Minotaur made  
earlier and quickly backs away.]

What the...

[Screen goes to Javel as he starts up the car  
but he looks out his window after he hears  
the roar.]

ALEX  
What is it?

JAVEL  
(Confused)  
Didn't you hear that?

ALEX  
(Shakes his head)  
...No...

[Javel starts pulling out and Alex just starts  
relaxing until he looks out the rear-view  
mirror; he sees through it the Minotaur  
looking around the parking lot.]

(Silently)  
...Javel?

JAVEL  
Yeah?

ALEX  
(Silently)  
I know what you heard.

[Alex slowly points to the rear view mirror;  
Javel eyes bug out the second he sees it and  
hits the gas; he and Alex are soon screaming  
as the Minotaur starts chasing the car]

JAVEL  
(Scared)  
HOLY CRAP! WHAT IS THAT THING?

ALEX  
(Scared)  
It looks like a Minotaur...from those books  
David has.

ALEX  
(Scared)  
THEY ARE NOT THAT BIG!! GRAMPS ALWAYS  
SAID THEY WERE OUR SIZE!!

JAVEL  
THEN HE WAS WRONG!!

[The Minotaur roars as it chases the car.]

ALEX  
TURN!! TURN!!

[Javel makes a sharp right turn; the car  
hydroplanes a little and nearly hits a car but  
other than that the turn was done fine; the  
Minotaur loses them; Javel and Alex have a  
sigh of relief; it's short-lived when the  
minotaur cuts them off and stops in front of  
them; they both scream.]

TURN AGAIN!!

JAVEL  
I'M TRYING!!

[The Minotaur tries to pick up the car but the  
car speeds away before it can try; the  
Minotaur starts chasing the car again.]

JAVEL (Cont.)  
Damn...

[Javel is short of breath as he tries to think of something; he has an idea.]

Alex?

ALEX  
(Scared)  
Yeah?

JAVEL  
Have you ever tried your energy balls?

ALEX  
(Scared)  
Not yet...

JAVEL  
(Trying to stay calm)  
If you hit the legs we can easily get away.

[Alex nods in agreement and slowly unbuckles his seatbelt and sticks his arm out.]

ALEX (TO HIMSELF)  
Take all your energy and ball it up...

[Alex fires a small energy ball that hits Javel's car; the taillight is busted.]

JAVEL  
OH C'MON! I JUST GOT THAT FIXED!

ALEX  
(Frustrated)  
I'm new at this...

[Alex now sticks his head out the window and aims; he fires another small energy ball but it misses and hits a tree; just a few branches break off.]

ALEX (Cont.)  
DAMN!

JAVEL  
KEEP TRYING!!

ALEX  
All right, Javel grab onto my belt.

[Javel grabs Alex's belt and Alex sticks half his body out of the window and starts to aim.]

JAVEL  
Oh crap, BIG CURVE!! HOLD ON!

[Javel starts driving the curve; Alex holds on for dear life while hanging out of the car and staring at the huge Minotaur gaining on them.]

ALEX  
DONE YET?

JAVEL  
(Finishes the curve)  
GO!!

[Alex fires an energy ball and hits the road; he tries again and hits the Minotaur's knee; the Minotaur falls over and Javel speeds away still holding onto Alex as he slowly gets back in the car.]

ALEX  
(Sighs of relief as he looks at Javel and the rear-view mirror)  
That sucked.

[They both smile as they speed away; the Minotaur watches the car speed away and look angry as it gets up and starts running again.]

INT. THE PATH TO ORION'S CABIN – DAY

[Lita is walking in the rain; a car pulls up next to her; its Sara and Mary (Mary is driving).]

MARY

(Kindly)

HI...we saw you walking in the rain and we wanted to give you a ride.

LITA

(Doesn't seem to want to be bothered)

I'm fine.

SARA

But you're all wet.

LITA

...Maybe next time, I...like the rain. How about I just see you at the dojo, you're coming with your boyfriend Darren right?

MARY

Yeah.

LITA

Then I'll just see you there.

MARY

(Waits a beat and soon shrugs)

Okay.

[They drive off and Lita continues on the trail.]

LITA (TO HERSELF)

I don't need her; all I've ever needed is myself.

[Lita walks towards Orion's cabin.]

INT. ORION'S CABIN – NIGHT

[Orion is getting his karate uniform on; it's red with a black belt; Lita comes in all wet as she combs through her hair with her hands getting the water out.]

LITA  
(Getting dry)  
I'm home.

ORION  
Oh good, did you find out anything?

LITA  
(She waits beat squeezing water out of her hair)  
Yeah.

[Minutes go by; Lita is all dry and changed into her karate uniform from earlier; the two are drinking tea.]

ORION  
So you touched this girl's ring?

LITA  
(Takes a sip of tea)  
Yes, and then I was..."taken" to this place. I was on my back and someone...stabbed me.

[Orion is silent as he sips his tea]

Was...that the way Quetzocotl died?

ORION  
(Gulps and looks at Lita)  
Quetzocotl was like my daughter...and no one likes to talk about things such as that.

[Lita nods and finishes her tea; she then gets up and gets ready to leave.]

LITA

(Raises her eyebrows after a beat)  
I'm Quetzocotl, right?

ORION  
(Has a long sigh)  
Yes. How did you figure that out?

LITA  
(Crosses her arms and waits a beat)  
Because Draco always said I was like your  
daughter.

ORION  
(Showing sympathy)  
I'm sorry I brought this onto you. How do you  
feel?

LITA  
(Staring into her tea)  
...Empty. Like nothing really matters.

ORION  
(Nods)  
Why don't you just lie down and skip class  
tonight. You've been through a lot.

LITA  
(Looks at Orion)  
Would Quetzocotl do that?

[Orion looks into Lita's eyes and gets up  
shaking his head; screen fades into the  
Dojo's Parking Lot.]

INT. DOJO PARKING LOT – NIGHT

[Mary is with Darren in the parking lot in  
front of the front door; there are cars parked  
all around the area; Darren still has bruises  
from fighting Alex.]

DARREN

(Rubbing his hands together to keep warm)  
So why do you want to see Lita anyways?

MARY  
Something...weird happened in chemistry  
class.

DARREN  
(Looks at Mary)  
Oh? What?

MARY  
(Shrugs)  
Not sure. But I think she does.

DARREN  
(Shivering)  
All right...well why not wait inside?

[Rita comes outside; she seems bored.]

RITA  
What's going on out here?

[Mary looks at Rita and opens her mouth to  
talk but stops as she sees a police car pull  
up; it just stays there parked in front of the  
dojo and the three teenagers; screen goes  
inside the car.]

INT. INSIDE THE CAR – NIGHT

[Officers Perez and Tyler are in the front seat  
wearing sunglasses; Blaze and Damian are in  
the back where prisoners go.]

DAMIAN  
(Looks at the Dojo)  
Are you sure this is the place?

BLAZE  
(Has a long sniff and after a beat she smiles)

I can still smell the blood.

DAMIAN

(Nods)

Lets go. Officers?

[Tyler and Perez get out of the car and into the parking lot and they let out the two; Blaze is shown concealing a dagger in her sleeve.]

INT. DOJO PARKING LOT – NIGHT

[Tyler and Perez follow Blaze and Damian to the entrance of the dojo; they all stop next to Mary and look at her and the two with her.]

RITA

(Shocked to see Blaze)

You...

DAMIAN

The officers here wanted to show Orion that Draco's killer has been taken care of.

DARREN

He's not here yet. But it'd be best if you just put her in the car and lock her up. I'll tell him you caught her.

[The officers open the door and they go inside.]

HEY! Wait, I said he wasn't in there.

RITA

(Shocked)

Did she even have 'cuffs on?

[Screams are heard in the dojo.]

MARY

Oh my god.

[Mary, Darren and Rita hurry inside the dojo.]

INT. ORION'S DOJO – NIGHT

[Rita entered the dojo first and sees what is happening; Damian and Blaze are “possessing” the students while Tyler and Perez hold the students that weren’t possessed yet back.]

RITA  
WHAT ARE YOU DOING?

[Darren and Mary see is too and are speechless; Damian sees Mary’s ring.]

DAMIAN  
(Shocked)  
This is...where he’s training them.

BLAZE  
(Takes the dagger out from her sleeve and looks at Damian awaiting orders.)  
Give me the order, and I’ll tear their throats out.

DAMIAN  
(Stops Blaze by putting his arm in front of her)  
No Blaze...lets have our new army take care of this.

[All the students possessed look at Mary, Rita and Darren; they all have no eyes; the officers take off their sunglasses as well, they have no eyes as well.]

MARY  
WHOA!

DARREN

The eyes! They have no eyes! What did you do to them?

[The possessed charge at Rita Mary and Darren; Darren pulls Mary away and punches one in the face; Rita kicks and pushes three away.]

BLAZE  
COME ON!

[Darren takes out a stick and starts hitting the possessed ones on their heads and torso with it; Rita backs into a corner while blocking strikes from the possessed.]

RITA  
(Struggling)  
Help!

[Mary is being protected by Darren and is also in a corner; Mary isn't anything to help]

MARY  
Rita!

[Darren nails possessed ones into the torsos and across the heads; the possessed seem to be recovering fast.]

BLAZE  
(Mockingly)  
I'd of done better.

DAMIAN  
We'd have to test them either way.

[Darren is tripped by a possessed and drops the stick; Mary takes the stick and starts whacking possessed wherever she sees them; they aren't falling like Darren did it but it's still effective; Rita is put into a full nelson;

she's dragged to Damian against her will as  
she kicks and screams.]

BLAZE  
(Smiles evilly)  
One down...

[Mary gets punched in the back of the head  
and falls to her knees; Darren is struggling as  
the possessed are trying to drag him to  
Blaze.]

DAMIAN  
(Smiles but it soon fades away)  
...Wait.

[The possessed are now having Darren  
placed beside Rita; Mary is now screaming  
and struggling to get away.]

Keep it down!

BLAZE  
Damian, we have them.

DAMIAN  
(Not caring)  
Don't you hear it?

[Mary drops the stick after being picked up  
while kicking and screaming; noises can be  
heard outside.]

BLAZE  
I can, what is...

[Orion bursts through the door and grabs  
Mary away from the possessed; Lita is behind  
him; Blaze recognizes her instantly.]

QUETZOCOTL!

[Orion punches a possessed student in the stomach so hard the student is launched into the air and onto the floor.]

LITA

(Sees Blaze and recognizes her instantly)  
You!

[Lita elbows a possessed student and executes a takedown; Damian and Blaze watch on looking as if unprepared as they look around; Mary takes a gong and levels a possessed in the back of the head; Orion tosses the two possessed officers against the wall, making the wall crack.]

DAMIAN

(Knowing that they can't win)  
HALT!

[The possessed stop.]

Hello Orion...long time.

ORION

Damian...

DAMIAN

Lets make a deal.

[Orion and Lita stare at Damian and Blaze;  
Mary seems confused.]

ORION

What do you want?

DAMIAN

The heads of the Guardian Forces; however I must admit we didn't expect to fight you, so we'd like to just...play peacemaker.

ORION

What are you saying Damian?

DAMIAN

(Smiles evilly)

Let us leave...and the prince lives.

[Blaze takes out her dagger from her sleeve and puts it to Darren's throat; Orion stares at Damian and Blaze knowing they'll kill him with ease.]

ORION

(Points to Rita)

...What about her?

BLAZE

What about her? If you don't go with us you lose both.

[Orion looks at Lita whose eyes are fixed on Blaze.]

ORION

(Looks at Blaze)

Blaze...you ruined this girl's family. Why not try and kill her now instead of killing someone who is no threat.

DAMIAN

(Looks into Orion's eyes and shakes his head)  
Oh Orion...you are quite the negotiator, aren't you? It's obvious this is the resurrected Prince. Don't you see the resemblance between the two? Not to mention the detailed description Bain gave us.

BLAZE

Compliments of his scouts, did you really think we chose this town at random?

[Orion looks at Darren, studying him; he definitely didn't know Darren was Prince Kain.]

DAMIAN

(Smiling)  
Oh I see you've been in the dark for so long  
that you forgot what you knew back then. But  
honestly, would *you* let this man die?

[Orion looks at Darren, then Damian, then  
Blaze; he backs off and pulls Mary and Lita  
with him.]

LITA  
(In disbelief)  
Orion, no!

[Orion ignores Lita and watches as Damian  
walks to the exit with Blaze; they're holding  
Rita and Darren; once they get to the exit,  
Blaze drops Darren and gets the dagger  
against Rita's neck.]

NO!

[Lita goes towards Blaze but Orion stops her;  
she realizes that her hands are glowing;  
Orion sees this too.]

DAMIAN  
We cannot just let you have everything  
Orion. Sorry but business is business, kill her.

[Blaze smiles, as Rita looks scared.]

ORION  
(Whispers into her ear)  
Let your emotions out. Think about what  
happened that fateful day.

[Lita's eyes become moist as if she is about  
to cry as she remembers when her parents  
died.]

EXT. September 11<sup>th</sup> 2001 – DAY

[Lita is sitting down on a couch in Orion's cabin; she looks like she is about thirteen or fourteen; she is covering her face and crying]

DRACO

(Sits with her holding some tissues for her)  
Lita...dry your eyes.

YOUNG LITA

(Sobbing)  
They're dead...my family is dead.

DRACO

We're your family too, and we'll help you no matter what.

YOUNG LITA

(Sobbing)  
I know you are. But...why did this have to happen?

DRACO

(Sighs looking up)  
Evil has always been around us. So it isn't an issue, the issue is what to do what you encounter it.

[Draco and Lita hug; Lita comes back to reality (The Dojo)]

INT. ORION'S DOJO – NIGHT

[Lita has tears running down her face and looks at Blaze who is smiling with a dagger to Rita's throat.]

LITA

(She takes a deep breath trying to hold in her emotions but she can't)  
NO!

[Lita's throws out her hands and as she screamed in anger, electricity came pouring out of her palms like a huge bolt of lightning; it misses Blaze and Damian and hits the wall, burning the wood and paint; Damian looks at Blaze.]

DAMIAN  
(Scared)  
Retreat.

[Lita looks at Blaze looking exhausted and angry; she throws her arms out making another huge bolt of lightning that again misses Blaze and Damian and hits the wall, burning the wood and paint more; Rita manages to get away and runs to Orion; Lita faints.]

MARY  
Lita!

[Blaze runs over to Lita and leaps while holding the dagger only to be caught by Orion and tossed back towards Damian and crashes into the wall; Damian helps Blaze up and they run away.]

BLAZE  
You'll see us again. But next time...I'll take another life.

[Damian and Blaze are long gone; the possessed are now getting back to normal; Tyler looks at the dojo.]

TYLER  
What happened here?

ORION  
(Waits a beat)  
...Redecorating.

TYLER

Oh all right well be sure that these kids here  
are okay.

ORION

Oh they are they're just...finishing some  
meditation.

[Tyler nods and leaves with Perez.]

Okay students, class is over so just bow and  
leave.

[Orion looks at Lita and helps her up as  
students leave to their homes looking  
confused as to what happened; screen goes  
to the streets where Javel and Alex are.]

INT. STREETS – NIGHT

[Alex and Javel are speeding away in the car;  
Javel is still driving and looking tired; the car  
speeds past a 35-MPH speed limit sign; soon  
enough the same minotaur from earlier runs  
toward the speeding car as if he never  
stopped.]

JAVEL

What are we going to do?

[Alex looks out the window; the Minotaur is  
looking angry as it keeps chasing the car; it's  
legs look slightly injured.]

ALEX

(Shaking his head)

I've hit those legs with all I have, but he just  
keeps catching up to us like he knows the  
road like the palm of his hand. Maybe we  
could try and run him over.

JAVEL

We tried that one time and he nearly crushed us. I am not getting us killed on something that won't work.

ALEX

Well we can't just keep driving; we'll just run out of gas easy.

[After Alex says that, Javel checks the gas meter; it's almost empty.]

JAVEL

(Takes a deep breath after waiting a beat)  
Easier than you think...take a look.

[Alex looks at the gas meter; he doesn't like it.]

ALEX

Damn, I am not going to die by a huge bull.

[A police car's sirens can be heard as it drives to the side of Alex and Javel's car, trying to get in between the car and Minotaur; the policeman slides down his window and looks at Alex.]

POLICEMAN

Hey what the hell is that thing?

ALEX

We...we don't know! Help us out!

[The policeman nods but soon enough the Minotaur lifts the police car into the air as the policeman screams.]

DAMN!

JAVEL

We need to do something. Come on man, think, what other powers do you have?

ALEX

(Sounding tired)  
I just got them. I haven't tried them yet.

[The Minotaur continues to chase Javel and Alex's car as they head towards the highway.]

INT. ORION'S CABIN – NIGHT

[Screen fades back Rita, Mary and Darren are in Orion's cabin; Lita is still unconscious and on the couch; Orion is sitting down at the table with Rita, Mary and Darren.]

MARY  
(Frustrated)  
This doesn't make sense. How the hell can people do what she just did?

DARREN  
Honey plea...

MARY  
Darren! Two people nearly kidnapped me and the "laws of musics" have been broken.

ORION  
(Thinking hard)  
Well...

RITA  
Physics, you dumb blonde.

MARY  
(Now mad)  
I am not a dumb blonde! You take that back!

RITA  
Make me!

ORION

SILENCE!!

[Mary and Rita look away from each other  
and become silent.]

Now understand, those two know everything  
but what you need to know. Now listen.

[Orion takes a book out of a drawer next to  
an icebox.]

...In this book is everything you need to know  
about yourselves.

DARREN

(Looking at Orion)

I still don't understand.

ORION

Darren, Rita, Mary do you have a family  
heirloom you've had since birth?

MARY

(Remembering something)

Yeah, in chemistry class I showed Lita  
because she asked. Then she touched it and  
then...something weird happened.

ORION

You relived the death of your past-life.

DARREN

Oh come on! You don't expect us to just  
believe this.

ORION

Darren, your logical beliefs and actions clearly  
are the reason I didn't think you truly were  
the former prince.

DARREN

I'm so not answering that with a valid  
response.

MARY  
But honey.

DARREN  
(Looks at Mary convincingly)  
Mary he's talking about past-lives. I mean please, next your going to tell me that the thing Lita did was really possible.

ORION  
(Waits a beat looking at him)  
Why not?

DARREN  
It is not possible, okay? People cannot throw...electricity at each other.

ORION  
(Gets up)  
Just go then. You obviously cannot understand.

DARREN  
Yeah I'm going to call the police.

ORION  
They are the police...and my students. These people can...possess others.

RITA  
(Disgusted)  
That's what they were doing to those kids?

[Darren looked down remembering watching that; Rita shows Orion a ring she had on a chain in her shirt; it's like Mary's only it has red stones.]

MARY  
(Looking at the chain)  
You do know what that means right?

RITA  
(Looking at her ring)

It's just for when I'm working out. Now what do we do?

DARREN  
Wait...

[The three look at Darren; Darren looks in deep thought.]

Why do you think I'm this guy?

ORION  
Why didn't they possess you? Why haven't you left yet? They were most likely going to take you to their leader so he could execute you.

DARREN  
And that is?

ORION  
(Looks down and waits a beat)  
Bain...the man who single-handedly deceived so many gods that he practically became one himself. You see, in your past-lives you were all royalty on the gods' homeland of Namos. When the war began Bain and his followers beheaded five goddesses. They were Judgment Gods...they govern elements. Anyway, the blood of these fallen gods was given to the counsel of the worshippers' daughters...you.

MARY  
(IN disbelief)  
So...we're like, gods or something?

ORION  
We preferred the term, "Hybrids" or the more common "Guardian Forces". Given that you were and still are mortal and were mortal when given the blood.

RITA

Where are the other gods? Since this war  
you're talking about is probably over.

ORION

Well there are two things to say about that.  
The others are either around here  
somewhere, with Bain, or beheaded.  
Beheading is the only known way to kill a god  
or any immortal being.

LITA

(Still tired and lying down)  
That's why Draco's dead.

ORION

(Showing sympathy)  
Oh Lita, please sleep you had a tough time  
today I'm sure.

LITA

Darren, if you want to see if this is real...  
touch Rita's ring.

[Darren shrugs and he touches Rita's ring...  
nothing happens.]

DARREN

...Guess I'm not who you think I am.

MARY

I was wearing the ring when it happened.

DARREN

Mary...let's just save it, okay? Orion I respect  
you very much. Otherwise, I would have  
already left this cabin.

[Darren opens the door and looks at  
everyone.]

But look...gods? Past-lives? Mary and Rita,  
look at the two you're talking to okay? It's  
Orion who just lost his best friend, and Lita

who's lost so many people...her whole messed up life. They are just paranoid and shaken up.

ORION

Then explain what you saw.

DARREN

(Obviously frustrated)

I can't but it definitely wasn't caused by some "God's Blood". I mean...

MARY

Honey, what about your medallion?

[Orion seems interested in this as he looks at Mary and then over to Darren.]

DARREN

(Shakes his head)

Okay fine, look at this.

[Darren takes out a medallion under his shirt; it's a smooth tan stone.]

I've had this all I can remember, now...

[Darren takes Rita's ring and puts it on her finger; he then touches Rita's ring again.]

What now?

[Everyone is silent; the chain on Darren's medallion breaks and he catches it; it touches Rita's ring and in a flash of light, Rita and Darren are in the time and place their past-selves died in "Prologue" as their past selves.]

EXT. RITA'S FLASHBACK TO NAMOS BEFORE SALAMANDER DIED – NIGHT

[Rita finds herself in place of Salamander in the courthouse; a Minotaur breaks into the building only to be stabbed to death by Kain and pushed away with the sword still in his hands.]

KAIN  
HIDE! HIDE!

[Shiva and Rita are seen running away from the building; a ramming Minotaur kills Rita quickly with a head butt to the skull; screen goes to Darren who is on the rooftop where Prince Kain and his father died.]

INT. DARREN'S FLASHBACK TO NAMOS  
BEFORE KAIN DIED – NIGHT

[Darren blinks and is where Kain was where he died back on Namos; Bain slices off Darren's arm while he watches Gabriella fall off the rooftop as she dies; he drops his sword as Bain places the blade against his throat.]

BAIN  
You could have won...but as I figured, you will always be a child no matter how you age.

[Bain stabs Darren hard with his sword and tosses him off the rooftop; Darren lies on the ground and looks over to see Gabriella's dead body as he dies; Rita and Darren open their eyes back to reality (The cabin).]

INT. ORION'S CABIN – NIGHT

[Rita and Darren wake up; Rita holds her head instantly.]

RITA  
That...SUCKED!

DARREN  
(Overwhelmed)  
It's real...I can't believe it.

RITA  
Me neither...I thought my death would be dramatic and amazing, not quick and ugly like that was.

ORION  
Glad to see you're with us.

DARREN  
(Waits a beat to take a deep breath)  
So...I'm a Prince?

ORION  
(Shrugs)  
Technically you used to be a king, but you died the same day you were married to the daughter of the head councilman.

MARY  
(Looks at Darren)  
Really?

DARREN  
(Knows he is in a "Tight Spot" as he starts to walk away)  
I should go; it's been a long day.

MARY  
I'll call you then...bright in the morning.

[Darren looks outside looking like he didn't like the sound of that.]

DARREN  
(Clenching his teeth together)  
Great.

[Darren leaves; Lita sits up still looking tired.]

RITA

(Looks at Lita and back at Orion)  
So what's your story? Why are you helping us?

ORION

Well I went with Draco to Earth during the end of the war, but then we found a way to bring you back.

[Orion initiates a flashback.]

INT. NAMOS FLASHBACK – NIGHT

[Orion is walking around Namos right after Bain killed Phoenix; everything is either burning and/or broken.]

ORION (NARRATING)

I went back to Namos, which was now in ruins. Bain had won.

[He looks at a bunch of corpses and then sees Bain leaving the building where he killed both Kains, Gabriella and Phoenix.]

BAIN

(Smiles)

Are you here to surrender?

ORION

(Looks into Bain's evil eyes)  
Bain...I wish to make a deal.

[Bain looks at Orion seeming interested.]

ORION (NARRATING)

One thing I always knew about Bain...he loves to make deals. Think of him as a negotiable gambler.

BAIN

What do you have that I would want?

ORION

(Waits a beat)

My allegiance.

RITA (NARRATING)

What! You're with him?

ORION (NARRATING)

It was for a good reason.

BAIN

Good...but what do you want?

ORION

I wish to be only aligned with you for a certain amount of time.

BAIN

...What then?

ORION

Then I want to be sent to Earth and not bothered by you and your followers.

BAIN

Immunity?

ORION

Yes.

[Bain looks like he's thinking about it; screen fades out and fades back in to show Orion chained up in a dungeon; the screen fades again.]

ORION (NARRATING)

He accepted the offer, but instead of using me as a servant for the agreed four generations...he tortured me by having his followers attack me constantly.

[Sounds are heard of weapons being used; warriors are heard yelling; Orion is heard in pain.]

I can still remember the pain...I even recall pleading for one of them to just behead me. However, when they were finished for the time being, I received visits from a life god named Vida. I asked her to help me resurrect the Guardian Forces, you.

INT. ORION'S CABIN – NIGHT

[Lita gets up still looking tired.]

LITA

(Tired)

Those two people we saw...who were they? In my past-life I think I was killed by one of them.

ORION

They were part of our troop Lita. Blaze and Damian, great warriors they were amazing in combat...but they hated having to risk their lives for their own people, so they joined Bain in return for immortality.

LITA

Then why would they be running away from my electricity? That wouldn't take off their heads.

RITA

(Understanding)

But they would be vulnerable to it.

ORION

Exactly.

[Screen fades as Orion gets Lita to sit down;  
screen goes back to the highway.]

INT. THE HIGHWAY – NIGHT

[Darren enters the highway and turns on the  
radio; some slow dance music comes on.]

DARREN  
No thank you.

[Darren changes the station to get another  
slow dance song.]

You are kidding me, no.

[Darren switches the station and gets another  
slow dance song.]

Oh come on Mary I told you not to mess with  
my favorite stations.

[Darren turns off the radio looking  
disappointed.]

Frigging perfect, I nearly die...and now I have  
nothing but crap to listen to. How can this get  
any worse?

[Darren hears an explosion; that explosion is  
soon followed by screams as Darren looks  
over to see the Minotaur; Javel can be seen  
also driving alongside Darren's car; Alex  
looks at Darren.]

ALEX  
Dude...if I were you right now, I'd leave first  
chance you got.

DARREN  
After you then I can take care of my self.

JAVEL

Wish we could but that thing has followed us  
since school ended. SIX HOURS AGO!

DARREN

(Looks at Javel funny)  
It's almost midnight Javel.

JAVEL

(Looking upset)  
No way...we've been driving away from this  
thing for over nine hours?

ALEX

We've tried everything...nothing worked.

DARREN

(He looks back and finds the Minotaur gaining  
on them)  
Well I say, run!

[Darren hastily changes lanes and takes the  
closest exit; Alex and Javel begin to panic as  
the Minotaur is almost at them.]

JAVEL

DITCH!

[Alex and Javel "tuck and roll" out of the car  
via separate side doors; the Minotaur  
destroys the car as Alex and Javel avoid  
traffic to get to the side of the highway; they  
look down the side's railing to see a river.]

ALEX

(Looks at Javel)  
...After you, you're the weaker one.

JAVEL

Weaker one?

[Alex grabs Javel and tosses him over; Javel  
screams as he falls into the water; Alex looks  
at the Minotaur as it looks in Javel's car for

them and hops over the edge before it can see him; they both make a loud splash as they fall in; the Minotaur looks around and lets out an angry roar.]

INT. THE RIVER – NIGHT

[Javel is shivering as he swims towards land; Alex is behind him breathing hard; Javel hops onto a patch of land surrounded by forest; he then helps Alex out of the water.]

JAVEL  
(Shivering)  
That...was...cold.

ALEX  
(Looking up at the highway they hopped off of)  
Would you prefer to be torn to shreds by that thing?

[Javel stares at Alex for a while; he leans up against a tree and tries to warm up; Alex looks down in deep thought.]

JAVEL  
(Shivering and upset)  
You really need to learn how to use those powers man. We wasted about ten hours and my car, because you weren't ready to handle that.

ALEX  
(Sounding as upset as Javel)  
Look, all I was told before I got here was my heritage. I was never taught how to use my powers; I just know what they are...got it?

JAVEL  
(Shivering)  
You managed to throw an energy ball.

ALEX  
(Looks at Javel)  
Oh I was just winging it.

JAVEL  
Then learn it, because your lack of training  
nearly killed us tonight.

ALEX  
(Looking down again)  
I'm...I'm sorry.

[Javel looks around for a place to get home  
from there.]

Look lets just get back home and...

JAVEL  
(Looks at Alex)  
Prepare...there's a war coming Alex. Sadly  
you're the only one that can lead us to  
victory.

ALEX  
We are others.

JAVEL  
And he is not here. He is with Adrian, making  
sure you aren't found. Once we have a  
chance we can try and get hi, but until then  
you are all we have.

[Javel looks around and sees something  
familiar.]

I know where we are.

[Javel signals for Alex to follow him; he does  
so.]

ALEX  
You're wrong Javel.

JAVEL  
What do you mean?

[Screen fades with this last line.]

ALEX  
A war isn't coming...it's already here.

**THE END**

FADE OUT.
